

SHIFTING

Of German Attack Upon Verdun to the West Is Noticed

NOW POUNDING FROM BEYOND MEUSE

Crown Prince's Troops Took Town of Forges

NEW DRIVE OF TEUTONS

Apparently is in the nature of a clearing operation, probably is indirectly aimed at ultimate possession of the dominating heights of this region, to straighten line.

The attack on Verdun has shifted to the west and the Germans are now engaged in pounding their way toward the fortress from beyond the Meuse advancing along the railroad that parallels the westerly bank.

Last night the crown Prince's troops assaulted and took the town of Forges, nine miles northwest of Verdun, but were prevented by the French from debouching against the Cote de L'Oie, a height about a mile to the south.

Today comes the admission from Paris that the Germans after a violent bombardment succeeded in forcing their way through Forges and along the railroad in the vicinity of Regneville, a village a mile and a half southeast.

Simultaneously an entire division violently attacked and captured Hill No. 265, southwest of Regneville. Heavy losses were sustained by the Germans in taking this position, Paris declares.

The new drive of the Teutons apparently is in the nature of a clearing operation, probably indirectly aimed at ultimate possession of the dominating heights in this region.

The present movement, if successful, also will straighten out the battle line to the northwest of Verdun. French lines further have held and they are in possession of Bethincourt and nearby territory, and still occupy Cote de L'Oie.

There is still notably artillery activity along the immediate front of Verdun, east of the Meuse, as well as in the Woivre district to the east and southeast of the fortress.

Massed forces of Germans are now pounding simultaneously on both flanks of the French defenses of Verdun in an effort to roll them back upon the fortress. To the northwest they have battled their way south from Forges, nine miles from Verdun, driving directly south where a full division of at least twelve thousand men, stormed Hill No. 265 and captured it, despite the declination of its ranks by French artillery and machine guns.

To the southeast they have driven successfully at the village of Fresnes, 12 miles from the fortress, which the French have been holding tenaciously.

The immediate purpose of the German attack west of the Meuse is believed in Paris to be the capture of the crest of hills from which the French long range guns were able to span the distance across the Meuse and hamper the Germans in their attacks on Douaumont by way of Vacherauville.

In the Champagne a surprise attack recovered from the Germans the position east of Maison de Champagne which the French took on February 15.

INCREASE

Granted Union Miners Approximates Eight Million Dollars

AGREEMENT REACHED YESTERDAY

Bituminous Fields In Middle West Affected

MINERS GREATLY ELATED

To What Extent the Public Will Figure In the Higher Cost of Producing Coal, It is Too Early to Predict—United States Steel Company Will Pay the Advances.

(ASSOCIATED PRESS TELEGRAM)
New York, March 7.—Operators and miners of the bituminous coal fields of the middle west, who yesterday agreed upon a wage increase for the soft coal diggers, hope to complete their work today. Two important matters that remain to be disposed of before the sub-committee of miners and operators report to the full conference of employers and employees, are whether the wage contract shall run two or four years and the question of referring internal grievances to the districts for settlement.

The miners today are elated over the granting of increases in wages estimated at \$8,000,000 a year. To what extent the public will figure in the high cost of producing coal, it is too early to say. It is known, however, that the United States Steel corporation, which takes a considerable amount of the tonnage of the Pittsburgh Coal company, the largest soft coal company in the country, will pay the advance on the coal it purchases from that concern, as it has a contract pledging to pay whatever increase the Pittsburgh company has to give to labor.

Other companies, it is said, have no contracts.

The proposed new scale of wages comprises:

In western Pennsylvania—Machine mining 50 cents a ton; pick mining 67.64 cents a ton.

Ohio—Machine mining 50 cents a ton. Pick mining in Jackson, Pomeroy, Crooksville and Tuscarawas districts 70.6 cents; in eastern Ohio, Cambridge, Hocking Valley and the Amsterdam-Bergholtz districts 67.64 cents a ton.

In Indiana—Machine mining 52 cents a ton; pick mining 64 cents a ton.

In Illinois—Machine work 54 cents; pick, 64 cents.

The miners' demands for an eight hour day, weekly pay days, and an idle every other Saturday were not approved by the sub-committee.

JANUARY STRIKES INVOLVED 168,000.

(ASSOCIATED PRESS TELEGRAM)
Washington, March 7.—January's strikes and lockouts numbered 117 and involved 168,000 men, according to figures today by the department of labor. Most of the strikers were in the metal trades and grew out of demands for wage increases.

The department reports most of the strikes settled by compromise with both sides claiming victory.

PARIS VOTES CREDIT.

(ASSOCIATED PRESS TELEGRAM)
Paris, March 7, 6.20 a. m.—The Paris city council, has voted a credit of 4,000,000 francs for erection in the grounds of Paris, hospitals of huts in which 2,500 tubercular soldiers can be given open air treatment. The cost of treatment will amount to 3,000,000 francs yearly.

President Wilson's Stand Indorsed By Two Heavy Test Votes in House; Administration Victory Is Assured

PUBLIC OPINION FOR YOUNG BRIDE WHO KILLED BETRAYER; GIRL WITNESS IN TEXAS TRAGEDY IS CENTER OF MYSTERY

Miss Lois Guion (left), Mrs. Katherine Harrison and W. L. Warren.

The prediction is freely made in Fort Worth, Texas, that fifteen-year-old Mrs. Katherine Harrison will not be punished for murdering W. L. Warren, hotel proprietor of that city

young girl's marriage and was witnessed by her fiancé. Miss Lois Guion, girl chum and confidante of Mrs. Harrison, who told the authorities of the young bride's part in the tragedy, mysteriously disappeared a week ago.

Council Fixes Sliding Gas Rate For a Period of Seven Years; Reported Acceptable to Company

City Council last night passed an ordinance fixing the price of natural gas in the city at 25, 27 and 30 cents net for the next two, three and four years respectively. The ordinance was passed under suspension of rules and will become effective after the expiration of the present rate agreement which is operative up to March 23, according to last night's ordinance. Before it becomes effective, however, it must be formally accepted by the company. In addressing of councilmen last night, it was indicated that the rate fixed in the ordinance was acceptable to the local company.

The ordinance was fathered by all members of council except Messrs. Seward and Alexander, who opposed it from the beginning. Both these councilmen voted no on suspension of rules and on the passage of the measure.

According to the provisions of the ordinance, Newark consumers will pay 28 cents for two years, 30 cents for three years, and 33 cents for one year and 11 months. The last period is not two full years because the franchise under which the company is doing business here, expires one month before the full two years is up.

The 28, 30 and 33 cent rates are subject to a discount of three cents per thousand, making the net rate 25, 27 and 30 cents an average of about 27 2-7 cents per thousand, net for 6 years and 11 months, the life of the franchise.

The passage of the ordinance is the result of investigation on the part of attorneys for the city, Messrs. Ralph Norpell, City Solicitor, Frank Bolton and Edward Kibler, Sr. Solicitor Norpell in a statement to

council last night, declared he believed that the rate should be approved by members of council. He went into the gas case at some length, showing why the case recently tried in the courts, had no bearing upon the present question.

"The court decision has nothing to do with the present problem," he said. "The court case did not involve the cost of transporting gas from the wells to the consumer. It simply involved what per cent of profit the Newark company would make in buying and selling gas here. The question of cost was not brought before the court."

"In considering the question of a fair price for gas, certain leakage must be taken into consideration. Theoretically such leakage is about 15 per cent. In Hamilton, it was found that the leakage was actually 20 3-4 per cent. In other words the city plant bought and paid for gas at the city limits but actually received payment for only 79 1-4 percent of the gas when it was distributed to the consumer."

"The court case dealt with the distribution of gas here in the year 1911 and the years prior to that time, at a time when the local supply was greater than it ever has been since or ever will be again. Each

year sees a greater shortage of gas and a natural and gradual increase in price. I believe this ordinance is a wise one for this council to pass."

Councilman Alexander opposed the ordinance because he believed it to be too high. "Without casting any reflection upon those who furnished council members with their information, I am not satisfied that this information warrants such an increase in the price of gas."

In the gas case which was tried in the courts, the decisions determined what a reasonable rate is, and that rate was not as high as is fixed in this ordinance. I have been a believer in a 25 cent rate and until I am convinced that this rate is not reasonable, that the courts' decisions have been wrong, I shall stick for a rate not greater than 25 cents."

Councilman Seward's opposition to the ordinance was based upon his belief that council had not been fully advised as to the reasons for the increase. "We turned down an ordinance last week which was almost identical in form with this measure. If it were wise to defeat that ordinance, I can see no reason why this measure should be passed. I shall stick for a 25 cent rate."

When the motion to suspend rules was voted upon, Messrs. Adams, Beadle, Curry, Keyes, Knauber, Shiner and Stasel voted for the suspension and Messrs. Alexander and Seward voted against the suspension. Upon the motion to pass the measure, the members lined up in the same manner.

The ordinance stipulates that the company shall maintain a pressure of four ounces to the square inch at the point of consumption except in cases of accident or acts of God.

Knowledge that the gas question probably would be acted upon (Continued on Page 5, Col. 3)

GERMAN CAPTURED BRIG IN SWEDISH WATERS; APOLOGIZED

(ASSOCIATED PRESS TELEGRAM)
Copenhagen, March 7, via London, 12:32 p. m.—The Berlingske Tidende publishes a dispatch from Malmoe, Sweden, which says that a German torpedo boat captured the Swedish brig Ynez off Landskrona, Sweden, and placed a prize crew aboard. The Swedish torpedo boat Regulus came up hurriedly and drew attention to the fact that the capture of the Ynez was made half a mile within Swedish waters. The German commander thereupon made apologies and removed his crew.

FLIRT BEATEN; COURT UPHOLDS WOMAN TEACHER

(ASSOCIATED PRESS TELEGRAM)
Little Rock Ark., March 7.—A woman is justified in inflicting corporal punishment upon a male child who annoys her, the state supreme court has ruled in affirming the \$250 damages which a lower court had awarded Mrs. Nettie Trussell of Hot Springs, a school teacher, against the Memphis and Dallas Gull railroad.

CLEVELAND SLAYER SENTENCED TODAY FOR MANSLAUGHTER

(ASSOCIATED PRESS TELEGRAM)
Cleveland, March 7.—Judge Kennedy today sentenced Louis Bianchetti, convicted slayer of Dolores Evans, to the Ohio penitentiary for an indeterminate term of from one to twenty-one years. The penalty for manslaughter of which a jury found Bianchetti guilty last Thursday, Bianchetti will probably be taken to Columbus Saturday. A new trial was refused.

By Substantial Majorities Administration Forces Defeated Attempts of President's Opponents to Amend to Their Liking, the Much Discussed McLeMore Resolution Advising Americans Not to Travel Upon Belligerent Ships

TO TABLE RESOLUTION AS SENATE DID GORE'S

Majority of Congress Will Have Gone On Record Before the World That It Does Not Endorse Dissensions Against President's Foreign Policy, Thus Allowing Him and Secretary Lansing to Resume Untrammelled the Submarine Negotiations With Germany That Have Been Held In Abyeance Pending Vote of Congressional Confidence.

(ASSOCIATED PRESS TELEGRAM)
Washington, March 7.—President Wilson's stand that congress shall not advise Americans to abandon their rights to travel the seas on merchant ships armed for defense in accordance with international law, was endorsed in the house today by two heavy test votes on the much discussed McLeMore resolution.

By substantial majorities the administration forces defeated attempts to amend the resolution to the liking of the president's opponents and put it squarely before the house without amendment for a vote under a special rule at the end of four hour's debate.

About six o'clock this evening the administration forces will move to table the McLeMore resolution, and the heavy votes they polled in the two preliminary tests indicate that they will kill it by a substantial majority.

Once tabled, the resolution will have gone the way of the Gore resolution in the senate, and a majority of congress will have been placed on record before the world as demonstrating that it does not endorse the dissensions against the president's foreign policy.

With the agitation finally subsided, President Wilson and Secretary Lansing will resume the submarine negotiations with Germany.

In quick succession today the house rejected the proposal to allow anti-administration amendments to the McLeMore resolution and then adopted the special rule for consideration of the resolution itself routing the opposition by votes of 256 to 160 and 271 to 138 respectively.

Immediately after the adoption of the rule debate began on the resolution itself, Chairman Flood of the foreign affairs committee moving to table it.

President Wilson remained in the cabinet room with several members of the cabinet to hear the result of the vote on the previous question in the house. He was told that the result was a victory for the administration and expressed satisfaction. He did not wait to hear the final vote on the rule.

The vote on the previous question which was the crucial test, showed 192 Democrats standing by the administration and 21 against it. Republicans voting with the administration forces totalled 63, and those against it 132. One Progressive voted with the administration forces and five against. One Independent and one Socialist voted "nay."

Representative Ellsworth of Minnesota, Republican, followed Chairman Flood, supporting the resolution and defending the German submarine campaign.

Representative Heflin, Democrat, of Alabama, congratulated some of the Republicans for standing with President Wilson in the fight.

"I am glad to see men big enough to break away from their leader and stand with the president and against the Kaiser," Mr. Heflin said. "It is Lansing and Wilson, or Von Bernstorff and the Kaiser."

Representative Decker, Democrat, of Missouri, one of the original agitators for a warning resolution, declared the country was threatened by war over the issue of a doubtful legal right.

"In Germany," he shouted, "the question is 'will you stand by the Kaiser in England, 'will you stand by the king?' in Russia, 'will you stand by the czar?' If war comes we will all stand by the president, but this government, thank God, is a representative one, and to the insulting temper of the south we will say we will stand by the people."

(ASSOCIATED PRESS TELEGRAM)
Washington, March 7.—Promptly at 11 o'clock the house assembled for the all-day fight of the administration forces to kill the McLeMore resolution to warn Americans off armed ships of the European belligerents. Speaker Clark was in the chair and acting Chairman of the rules committee was in his seat ready to submit the special rule under which the debate will proceed.

As soon as the journal had been read Mr. Pou offered the privileged resolution containing the special rule.

Mr. Pou asked unanimous consent for ninety minutes debate on the rule. There was no objection and

the debate began. Mr. Pou took the floor to open the fight.

Prospects of a sensational debate attracted a record crowd to the house side of the capitol long before the doors opened. Men, women and children came ready for a long stay. Lunch boxes, milk bottles, opera glasses and books formed the principal part of their equipment. When the house galleries were thrown open there was a rush and scramble and the galleries were filled within five minutes.

The first outburst of applause from the floor came at the outset of Mr. Pou's speech when he said:

"All the imps of hell never devised a more infamous lie than the rule. There was no objection and

Ambassador Page's Brother Differs From President; Will Not Run Again for Congress

(ASSOCIATED PRESS TELEGRAM)
Washington, March 7.—Representative Robert N. Page, of North Carolina, a brother of Ambassador Page at London, has announced in a letter to his constituents that he will not be a candidate for re-election because he disagrees with President Wilson in the submarine controversy.

Mr. Page, whose announcement caused a sensation at the moment of a vote on what practically is a proposal that the house shall not interfere with the president's diplomatic negotiations, today supplemented it with the declaration that he differed from the president on no other points at present.

"I could not bring myself to agree with the president in the present controversy," said he, "so rather than embarrass my party by running again and not supporting the president fully, or being untrue to my own conscience by supporting him unqualifiedly, I chose to announce that I would not run again. The president and I have no other differences at present."

Reports today that other Southern congressmen planned to follow Page's example could not be affirmed.

In a letter to his constituents, Mr. Page wrote:

"The loan of \$500,000,000 to England by American capitalists, to say nothing of the profits of munitions manufacturers, has destroyed the semblance even of neutrality in the United States and probably will lead us into war. . . . I will not stultify my conscience or stain my hands with the blood of my countrymen; neither will I do violence to my conscientious convictions of duty, thereby forfeiting my self respect."

A Brooklyn Druggist Praises the Great Kidney Remedy

I have handled Dr. Kilmer's Swamp-Root, kidney, liver and bladder remedy for twenty years and have heard plenty of favorable reports concerning it from my customers. They are satisfied with the results obtained from its use. I know of many cases where Swamp-Root has cured Stone in the Bladder, Gall Stones, Gravel, Catarrh or Inflammation of Bladder, Liver trouble and Rheumatism. I have used it in my own family with good results and heartily endorse Dr. Kilmer's Swamp-Root and believe it has good curative value.

Very truly yours,
ALEX. LIPSCHITZ, Druggist,
84 North 6th Street,
Brooklyn, N. Y.
November 12th, 1915.

Letter to
Dr. Kilmer & Co.,
Binghamton, N. Y.

Prove What Swamp-Root Will Do For You.
Send ten cents to Dr. Kilmer & Co., Binghamton, N. Y., for a sample size bottle. It will convince anyone. You will also receive a booklet of valuable information, telling about the kidneys and bladder. When writing, be sure and mention the Newark Advocate. Regular fifty-cent and one-dollar size bottles for sale at all drug stores.

Quickest, Surest Cough Remedy is Home-Made

Easily Prepared in a Few Minutes. Cheap but Unequaled

Some people are constantly annoyed from one year's end to the other with a persistent bronchial cough, which is wholly unnecessary. Here is a home-made remedy that gets right at the cause and will make you wonder what became of it. Get 2 1/2 ounces Pinex (50 cents worth) from any drug store, pour into a pint bottle and fill the bottle with plain granulated sugar syrup. Start taking it at once. Gradually but surely you will notice the phlegm thin out and then disappear altogether, thus ending a cough that you never thought would end. It also loosens the dry, hoarse or tight cough and kills the inflammation in a painful cough with remarkable rapidity. Ordinary coughs are conquered by it in 24 hours or less. Nothing better for whooping, winter coughs and bronchial asthma.

This Pinex and Sugar Syrup mixture makes a full pint—enough to last a family a long time—at a cost of only 54 cents. Keeps perfectly and tastes pleasant. Easily prepared. Full directions with Pinex.

Pinex is a special and highly concentrated compound of genuine Norway pine extract, rich in quinine, and is famous the world over for its ease, certainty and promptness in overcoming bad coughs, chest and throat colds.

Get the genuine. Ask your druggist for "2 1/2 ounces Pinex" and do not accept anything else. A guarantee of absolute satisfaction or money promptly refunded, goes with this preparation. The Pinex Co., Ft. Wayne, Ind.

ADVICE FROM A SPECIALIST

Costs more because it's worth more. He deals with fewer subjects, but he knows all about those subjects. For the prevention and relief from pimples, blotches, indigestion, constipation, biliousness, headache, sallow skin R. & G. Pills is the Specialist's Pill for these particular ailments. A pure vegetable compound, free from all injurious drugs. Safe for children as well as grown people. Use as per directions slips found in each box.

R & G PILLS

Get a Box To-Night 10c. and 25c. the Box

Borrow at Home

It is always more Satisfactory to deal face to face with those from whom you borrow.

And it is better to borrow from men who know you. The idea that it makes no difference where you borrow but that you must be careful where you deposit money is all wrong as to the borrowing part. Be just as careful where you borrow as where you lend. It often makes even more difference to you.

If you want to borrow on real estate security see this home institution.

THE HOME BUILDING ASSOCIATION COMPANY OF NEWARK, OHIO

Lodges Dealing in Liquors Must Take Out Licenses in Opinion of Attorney General

(Associated Press Telegram)
Columbus, March 7.—Private clubs or lodges dealing in liquor to members on the coupon or "charge account" systems must take out a license under the state liquor license law, Attorney-General Turner ruled today. "Locker clubs" do not need a license, he held.

The attorney general's opinion will have the effect of compelling scores of fraternal clubs which heretofore have never had state licenses to be licensed. Payment of the \$1,000 fee for this will be impossible with a large proportion, it is said, and may have to dispense with having liquor. Clubs which are licensed also may have to dispense with having liquor. Clubs which are licensed also will be subject to the Sunday and midnight closing laws.

The question calling for the opinion came principally from Cincinnati and Dayton, but the effect will be felt all over the state. The three classes of organizations which the attorney-general held must be licensed are: Clubs selling

coupons or cards which may be exchanged for liquor. Clubs which have annual dues and allow members to order liquor chargeable to their accounts. Clubs which use the ticket and coupon system, but serve only members.

Locker clubs, which the attorney-general holds need not be licensed, operate on a principle by which members own their individual supplies of liquor which are kept on ice subject to their call. In these cases and not of the club. The attorney-general lays down the general principle that when liquor is the property of the club or lodge as a whole and is dispensed to a member either on previous payment or promise to pay later, the transaction is such as to require a state license.

In another opinion to prosecutor Perry Smith of Muskingum county, the attorney general declared that a restaurant operated in connection with a saloon may be kept open Sunday provided it is closed off from the bar.

PRESIDENT WILSON'S

(Continued from Page 1.)
declaration that has been made that President Wilson wants war.

Representative Campbell of Kansas, Republican member of the rule committee, announced when Mr. Poinsett called for the motion to close debate on the rule were defeated he would offer a substitute for the McLemore resolution which would be a direct warning to Americans to keep off armed ships.

"If this rule is defeated," declared Representative Harrison, Democrat of Mississippi, an administration leader, "you will not only send joy to the hearts of people in a foreign capital, but you stab your own President in the back."

At the end of the debate of an hour and a half on the rule, a vote on a motion for "the previous question," a motion to end the debate on the rule itself, was in order. That under the plan of the leaders would be the first roll call.

Then a vote on the adoption of the rule itself was in order, making a second roll call.

The adoption of the rule meant four hours debate on the McLemore resolution itself with another roll call at the close on a motion for disposition of the resolution. This generally was expected to be a motion by Chairman Flood of the foreign affairs committee to table it.

The expectation of three roll calls was based on the assumption that the rule would be carried and not taken into consideration any unexpected parliamentary tactics from the opposition.

Mr. Poinsett attacked the McLemore resolution at the outset.

"It means in effect, that if an American disregards a warning that the United States government will fold its hands," said he.

"Is there a single red-blooded citizen in this house or this country who wants to do that? It is charged that the President wants war. All the imp of hell never devised a more infamous charge. No man, since Abraham Lincoln, has gone through such a test as the President has gone through in the last six months. He has tried to preserve peace. He would not sacrifice a single life to make himself President for a life time. He has the support of both sides of this chamber."

Applause on both sides of the chamber followed his remarks.

Representative Campbell, Republican, declared:

"There is no greater question of national rights involved in this issue," he declared. "Nor is there any greater crisis involving the honor of the United States at this time. Does anyone contend that an American citizen has a right to travel on an armed cruiser of a nation at war?"

"The President is asking congress to assume the diplomatic function and declare to the world its citizens have the right of taking passage on the armed merchantmen of belligerents. This house is today confronted with the responsibility of the right to shape a diplomatic function."

HOW TO REDUCE YOUR WEIGHT

A Simple, Safe, Reliable Way.

People who are over-burdened with superfluous fat, know only too well the discomfort and ridicule that over stout people have to bear.

If you are carrying around five or ten pounds of unhealthy fat you are unnecessarily weakening your vital organs and are carrying a burden which destroys the beauty of your figure.

There is no need of anyone suffering from superfluous fat. If you want to reduce your weight in a simple, safe and reliable way, without starvation diet or tiresome exercise, here is a test worth trying. Spend as much time as you can in the open air, breathe deeply and get from any good druggist a box of all of korein capsules; take one after each meal and one before retiring at night.

Weigh yourself once a week so as to know just how fast you are losing weight and don't leave off the treatment or even skip a single dose until you are down to normal.

Sure Way To Get Rid Of Blackheads

There is one simple, safe and sure way that never fails to get rid of blackheads and that is to dissolve them.

To do this get about two ounces of plain powdered norexin from any drug store, sprinkle a little on a wet sponge—rub over the blackheads briskly—wash the parts and you will be surprised how the blackheads have disappeared. The blackheads, little black heads no matter where they are, simply dissolve and disappear, leaving the parts without any mark whatever. Blackheads are simply a mixture of dust and dirt and secretions from the body that form in the pores of the skin, clogging and squeezing only cause irritation, make large pores, and do not get them out after they become hard. The powdered norexin and the water simply dissolve the blackheads so they wash right out, leaving the pores free and clean and the skin soft and clear. Anyone troubled with these unsightly blemishes should certainly try this simple method.—Advertisement.

which is solely the right of the executive.

"The question ought not have been brought here. Now it is here, vote squarely on a resolution warning citizens of the danger they are in, when they get on armed ships of a belligerent."

At 12:44 p. m. all the time for action on the rule had expired and Representative Garrett of Tennessee moved the previous question upon which the roll was called.

Republican Leader Mann, in a ten-minute speech, pleaded that the house defeat the rule in order that the McLemore resolution might be amended and a vote on a straight warning resolution obtained.

When the speaker put the question there was a thunderous chorus of "ayes" and "noes."

Representative Campbell, Republican, demanded a division and Representative Poinsett demanded the roll call. Voting began at 12:46 p. m.

Representative Harrison of Mississippi, Democrat, took up the debate for the administration.

"This is not a question for us to divide upon as Democrats or Republicans," said he. "It is a question of America first. It is a question whether you shall rise above narrow partisanship and stand for the American government. The only safe course for us to pursue is to follow the rights of neutrals under international law. If we allow one column to be taken away from the structure of international law we endanger the whole foundation of our government."

"The question today," he concluded, "is whether you are with the President or against him. If this rule is defeated you will certainly send joy to the hearts of people in a foreign capital but you stab your own President in the back."

Representative Chipfield, Republican of Illinois, declared he favored standing by the President.

Representative Cantrell, Democrat of Kentucky, member of the rules committee, said he would vote for the rule because only by its adoption could the house put itself on record on the warning resolution issue.

"I thank God that President Wilson is the chief executive of the nation now," he declared amid Democratic applause. "To those who may say that this action involves a question of war, I say that today's action which we propose is the only way to guarantee peace and an honorable peace is what we all desire."

ROCKY FORK

Mr. and Mrs. Bert Behout and little daughter were callers at the home of Clarence Stradleys Wednesday evening.

Minnie Livingston spent Wednesday night and Thursday with Mrs. Emma Davis.

Miss Vera Miller spent Sunday afternoon with Lucile Porter.

Mr. and Mrs. Lloyd Watson spent Thursday evening with Clarence Stradley and family.

Grover McArthur spent Thursday evening at the home of Clarence Stradley.

Ethel and Hazel Davis spent Friday evening with Mr. and Mrs. Lloyd Watson.

Opal Stradley took Sunday dinner with Minnie Davis.

Mr. and Mrs. Ernest Stradley and son Edward spent Sunday with C. J. Stradley and family.

Bro. Nuzum filled his regular appointment at Rocky Fork Sunday.

Don't Let Soap Spoil Your Hair

When you wash your hair, be careful what you use. Most soaps and prepared shampoos contain too much alkali, which is very injurious, as it dries the scalp and makes the hair brittle.

The best thing to use is just plain multi-scented coconut oil, for this is pure and entirely greaseless. It's very cheap, and beats the most expensive soaps or anything else all to pieces.

Simply moisten the hair with water and rub it in, about a teaspoonful is all that is required. It makes an abundance of rich, creamy lather, cleanses thoroughly, and rinses out easily. The hair dries quickly and evenly, and is soft, fresh looking, bright, fluffy, wavy and easy to handle. Besides, it loosens and takes out every particle of dust, dirt and dandruff.

POLICE SEARCH SHACKLEFORD'S HOME; FIND \$514

In the Jane Shackelford home, 70 Hoover street, where on February 19 the murdered bodies of Mrs. Shackelford and Elijah Woodfork were discovered, the police yesterday found \$160 and up to noon today they found \$354—secreted in the house. The total amount found by the searchers to date is \$514 and the search of the premises will continue for several days. The money is being found in every conceivable place. Each bit of money whether it is a 25 cent piece, a \$20 gold piece or a treasury certificate is separately wrapped and hidden away. The officers have no idea of the amount of money hidden but the discovery of \$514 in a day and a half leads them to continue the search.

Police Officers James Gorman and Edward Hurlburt, detailed to make a thorough search of the home of Mrs. Jane Shackelford in Hoover street, yesterday found \$160 in money and the search has not been completed.

According to information secured yesterday, the officers spent the entire day in the home making a careful examination of every part of the house.

It is said that a part of the money was found in shoes, in packages of old papers, etc. One report is to the effect that some money was found in a shoe which was worn almost at the head of Mrs. Shackelford who, with her half brother, Elias Woodfork, was murdered in the home three weeks ago.

Croner W. L. Jackson has issued a large number of subpoenas for the inquest into the deaths of the two aged colored people to be held Wednesday afternoon.

Interest still centers in the will of the aged woman who is believed to left considerable money besides the home where she lived. The will has not been probated.

Real Estate Transfers.

Mary E. Hunsinger to W. H. Handley, 16 acres in Jersey township, \$75.

Robert S. McKay to Clara V. Lowry, part of lots 54 and 55, \$1, etc.

When a big man shrinks from publicity it doesn't seem to make him any smaller.

CATARRH GERMS EASILY KILLED

Only Way to Cure This Disease is to Destroy Its Cause

If you have catarrh and want to get rid of it you must kill the germs which cause catarrh. Stomach dosing, enemas, sprays, creams, douches, etc., fail because they overlook this fact. They all help by giving temporary relief but they do not reach the germ life that has found lodgement in your head, nose, throat, and could not destroy it if they did.

The best known way of destroying the dangerous germs of Catarrh and consequently curing the disease itself, is to breathe into the air passages of your nose and throat the pleasant, penetrating air of Hyomei (pronounced High-o-mee). Hyomei is made from purest oil of Eucalyptus combined with other powerful, healing, antiseptic and germicidal ingredients. You breathe it through a little pocket inhaler which T. J. Evans and other leading druggists in Newark and vicinity are furnishing with every complete treatment sold. Every time you inhale the sweet, fragrant air of Hyomei through this little device you are drawing into your swollen, inflamed germ laden membranes a medicated air which will not only reduce all the swelling and inflammation and open your clogged nose and stop up air passages, but will absolutely and positively destroy every trace of Catarrh germ life it reaches. Druggists are so sure of the blessed, lasting relief that Hyomei brings to catarrh sufferers that they sell it invariably on the positive guarantee that money paid will be refunded if successful results are not secured from its use. Get a Hyomei outfit from your druggist today and begin at once to drive this dangerous and disgusting disease from your system forever.

APPELLATE

COURT MET IN NEWARK TODAY AND PASSED GAS CASE

Action of Council It is Hoped will Clarify the Situation—General Court News.

The March term of the Court of Appeals convened in this city today with Judges R. S. Shields, of Canton, L. K. Powell, of Mt. Gilead, and Lewis B. Houck, of Mt. Vernon, on the bench.

The court called the docket for the term and began the hearing of cases. The gas rate injunction case came up for hearing and was passed for the time it being believed that the action of the city council last night would clarify the situation. This case has no relation whatever to the gas rate case which is now before the supreme court.

The case of J. W. Scott, et al., vs. Adam Emswiler, was argued and submitted to the court. The suit was brought upon a surety bond, given in connection with the chattel loan business.

Jesse M. Kimble vs. Celestial A. Kimble: an alimony case appealed to the court of appeals from the probate court.

Entries of continuance were made in the following: Laura F. Preston vs. Nora D. Shaffer, et al.

The court stated that appeal cases would be taken up and disposed of in their order after the disposition of the error cases, except as to such appeal cases as are specially assigned.

The court of appeals heard the argument of counsel in the case of W. F. Cleary vs. County Commissioners, defendants in error. The error proceedings are brought to reverse the court of common pleas in arresting the testimony from the jury and directing a verdict for the county commissioners. Plaintiff, Cleary, brought the suit to recover damages caused by the automobile which he was driving running into the creek some months since, the bridge having been washed away near Swan's blacksmithshop, east of the city. The court will announce a decision later.

Commissioners' Office.

The county commissioners, yesterday reviewing sheep claims thirty of which were up for consideration, several exceeding \$100. At the last settlement in June there was a surplus in the sheep claim fund of \$1,000 and this was divided between the fund for humane work and county educational. From the present outlook there will be no surplus in the sheep claim fund this year.

Road Hearing.

There will be a hearing regarding compensation and damages to be allowed on account of the proposed east and west road through Greenville, the same to be held at the commissioners' office March 16.

Admitted to Probate.

The will of the late Michael Taft has been admitted to probate. There has been no appointment.

Divorce Petition.

Grace Williams has filed a petition in the office of Clerk of Court Bert O. Horton, against Ralph Williams. The parties were married March 7, 1914, and the petition alleges failure to provide the necessities of life and also charges the defendant with adultery and being an habitual drunkard. A separation between the parties took place Aug. 4, 1915. The plaintiff asks for a divorce and all other relief to which she may be entitled.

Charges Cruelty.

Atha Ludwig vs. Walter Ludwig, is the title of a divorce petition filed in common pleas court today. The parties were married December 7, 1911, in Boston, Mass., and one child is a result of the union. The petition alleges that a separation took place August 2, 1915, which was caused, it was alleged, by the aggressions of the defendant and since then defendant has been guilty of gross neglect of duty in that he has failed to provide. The petition also charges extreme cruelty, stating that while living at Hebron, O., defendant struck plaintiff, knocking her down and that he pulled her from bed by her hair. Plaintiff asks for a divorce, the care, custody and control of the minor child and reasonable alimony.

Marriage Licenses.

Lee Billman, a baker of Detroit, Mich., and Miss Willa Grace Mock, of this city, Rev. W. D. Ward named to officiate.

Chas. O. Lees, railroad, and Miss Mayme I. Hagerman, both of this city, Rev. B. W. Barr named to officiate.

Justice Scott's Court.

The case against Gus Kerns, a murder charge growing out of the death of five persons in the Kerns hotel fire of January 6, 1914, which was set for hearing in Justice F. S. Scott's court this afternoon at one o'clock was again postponed until Wednesday morning at 9 o'clock, owing to the inability of defendant's counsel to appear, being engaged on a case out of the city.

In Common Pleas.

In common pleas court the jurors have been instructed to return on Monday morning next.

Judge Thos. B. Fulton was at his office in the court room today. The judge has recovered from a recent illness but shows no effects of his two weeks' confinement to his home. He is feeling in excellent spirits and will hold court tomorrow, bearing the testimony of witnesses in eleven naturalization cases which will be heard before his court.

COX REGAINS VOICE.

(Associated Press Telegram)
Cincinnati, March 7.—George B. Cox, who suffered a stroke of paralysis last Tuesday, regained his voice today. Dr. E. V. Walker, his attending physician, said that Mr. Cox's improvement was "very encouraging."

As a leader in our Suit section we are featuring an all wool poplin suit in black, navy and open made in the very latest semi-flare effect with extra wide full skirt, at each \$11.95

In a few hours. Will not harden the water, but purifies it. A few drops will clear your drink. For sale by Grocers. Ask for it, or write THE OLD SETTLER CO., FINDLAY, O.

Healthy Old Age Brings Happiness

Simple Remedy Promotes Health By Overcoming Tendency to Constipation.

Advancing years impair the action of the vital organs. Old age should be the period of greatest happiness, but good health is necessary. Constipation should not be tolerated—it is often the direct cause of ill health.

Headache, belching, biliousness, bloating, drowsiness after eating and other symptoms of constipation can be readily relieved by the use of a simple laxative compound sold in drug stores under the name of Dr. Caldwell's Syrup Pepsin. Mr. J. H. Bristol, 1412 Geddes Ave., Ann Arbor, Mich., who is 83 years old, says "Dr. Caldwell's Syrup Pepsin is the best remedy I ever used for constipation and I always have a bottle of it in the house to use when I feel the need of it; it never disappoints."

MR. J. H. BRISTOL.
household remedy in thousands of homes. Druggists everywhere sell it for fifty cents a bottle. A trial bottle of Dr. Caldwell's Syrup Pepsin can be obtained free of charge by writing to Dr. W. B. Caldwell, 454 Washington St., Monticello, Illinois.

DRIVING SLEET STORM.

(Associated Press Telegram)
Erie, Pa., March 7.—A driving sleet and rain storm last night tore down miles of telegraph and telephone wires in this section, delayed trains and forced interurban traffic to suspend. The property loss is estimated at \$150,000.

Glass of Hot Water Before Breakfast a Splendid Habit

Open sluices of the system each morning and wash away the poisonous, stagnant matter.

Those of us who are accustomed to feel dull and heavy when we arise; splitting headache, stuffy from a cold, foul tongue, nasty breath, acid stomach, lame back, can, instead, both look and feel as fresh as a daisy always by washing the poisons and toxins from the body with phosphated hot water each morning.

We should drink, before breakfast, a glass of real hot water with a teaspoonful of limestone phosphate in it to flush from the stomach, liver, kidneys and ten yards of bowels the previous day's indigestible waste, sour bile and poisonous toxins; thus cleansing, sweetening and purifying the entire alimentary tract before putting more food into the stomach.

The action of limestone phosphate and hot water on an empty stomach is wonderfully invigorating. It cleans out all the sour fermentations, gases, waste and acidity and gives one a splendid appetite for breakfast and it is said to be but a little while until the roses begin to appear in the cheeks.

A quarter pound of limestone phosphate will cost very little at the drug store, but is sufficient to make anyone who is bothered with biliousness, constipation, stomach trouble or rheumatism a real enthusiast on the subject of internal sanitation. Try it and you are assured that you will look better and feel better in every way shortly.

HEAD STUFFED FROM CATARRH OR A COLD

Says Cream Applied in Nostrils Opens Air Passages Right Up.

Instant relief—no waiting. Your clogged nostrils open right up; the air passages of your head clear and you can breathe freely. No more hawking, snuffling, blowing, headache, dryness. No struggling for breath at night; your cold or catarrh disappears.

Get a small bottle of Ely's Cream Balm from your druggist now. Apply a little of this fragrant, antiseptic, healing cream in your nostrils. It penetrates through every air passage of the head, soothes the inflamed or swollen mucous membrane and relief comes instantly.

It's just fine. Don't stay stuffed-up with a cold or nasty catarrh.

DRINK HOT TEA FOR A BAD COLD

Get a small package of Hamburg Breast Tea, or as the German folks call it, "Hamburg Brust Tee," at any pharmacy. Take a tablespoonful of the tea, put a cup of boiling water upon it, pour through sieve and drink a teaspoon full at any time. It is the most effective way to break a cold and cure grip, as it opens the pores, relieving congestion. Also loosens the bowels, thus breaking a cold at once. It is inexpensive and entirely vegetable, therefore harmless.

There Are Many Advantages

in buying your hardware from us. First in importance is our large stock complete in every department. In door sets we are showing some beautiful designs; in our tool department we have the world's best.

NEWARK MAY BE ON A PROPOSED NATIONAL HIGHWAY

President of the board of county commissioners Jos. H. Orr is in receipt of a communication from the national headquarters of the Pike's Peak Ocean to Ocean Highway at Colorado Springs, inviting the Licking county board of commissioners to participate in a conference at the Southern Hotel at Columbus Friday.

The route of the proposed highway has already been laid out from St. Lake City as far east as Columbus, and two or three routes are being considered between that city and Pittsburgh, one of them being the old National Old Trails road, which would pass through Newark.

Commissioners Orr, Frank R. Dumm and Orville Kiger are all believers in good roads, in fact they have a reputation in the state highway department of being among the most progressive officials in the state. They have secured concessions from the state department on account of their willingness to push road matters, and this is especially true of Messrs Orr and Dumm, who have served a term longer than Mr. Kiger.

Licking county has a state-wide reputation for its good roads, in fact it extends beyond the confines of the state and the Licking county commissioners are proud of the record which they have established. They are heartily in favor of the proposed Pike's Peak Ocean to Ocean Highway and may send a representative to the Columbus meeting Friday, providing other business does not interfere.

EMPLOYEES WANT R. R. RECEIVERS TO MEET WITH THEM

(Associated Press Telegram)
Cincinnati, March 7.—Employees of the Cincinnati, Hamilton and Dayton railroad filed a petition in the United States district court here today asking that the receivers of the railroad, Judson Harmon and Rufus B. Smith, be compelled to meet with them to discuss demands for increases in wages and changes in the working conditions.

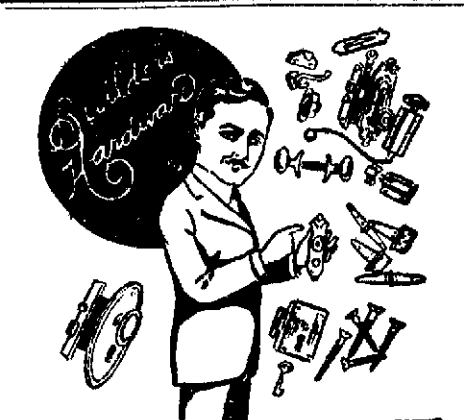

The petition alleges that their demands have gone unheeded and are signed by the machinists, boilermakers, blacksmiths, sheet metal workers and car men.

Safe Home Remedy for Skin Troubles

Eczema, ringworm, and other itching, burning skin eruptions are so easily made worse by improper treatment that one has to be very careful. There is one method, however, that you need never hesitate to use, even on a baby's tender skin—that is the resinol treatment. Resinol is the prescription of a Baltimore doctor, put up in the form of resinol ointment and resinol soap. This proved so remarkably successful, that thousands of other physicians have prescribed it constantly for over twenty years.

Generally resinol stops itching at once, and heals the eruption quickly and at little cost. Resinol ointment and resinol soap can be bought at any druggist's.

Resinol Soap is not only unusually cleansing and softening, but its regular use gives to the skin and hair that natural beauty of perfect health—which cosmetics can only imitate.

INDIANA

HOLDING ITS FIRST STATE-WIDE PRIMARY AFTER SPIRITED CAMPAIGN.

President Wilson Has No Opposition Which is the Case Also With Fairbanks.

(Associated Press Telegram)
Indianapolis, Ind., March 7.—Indiana is today holding its first state-wide preferential primary after one of the most spirited campaigns ever conducted in the state.

The voters are showing their preferences for candidates for president, vice-president, United States senator, governor, members of congress, members of the state legislature and for county offices and are electing committeemen and delegates to the state conventions.

President Wilson has no opposition in Indiana in his race for re-nomination on the democratic ticket. Vice-President Thomas R. Marshall also has no opponent in the primary. Charles W. Fairbanks, former vice-president of the United States, is the only person seeking the Republican nomination for president in this state.

There is no candidate for the Republican nomination for vice-president on the ballot.

The primary law provides that the choice of the voters in the primary shall be supported in the national convention so long as their names remain before those bodies.

Voting was slow today and it was predicted that only a 60 per cent vote would be cast. Warm, sunny weather greeted the voters in most sections of the state.

Terre Haute was the only place in the state to report trouble up to noon today. The Terre Haute trouble occurred in the sixth ward, which figured so prominently in the trial of Don M. Roberts in the federal court here on election conspiracy charges.

While President Wilson and former Vice President Charles W. Fairbanks, candidates for the Democratic and Republican tickets, respectively, were without opposition in the voting today, much interest was centered in which would receive the larger vote.

There were only three party ballots being voted, the Democratic, Republican and Progressive—as the Socialists, Prohibitionists and other parties did not poll ten per cent of the total vote in the last general election and were exempted from the provisions of the primary law.

While there was a lively contest for the nomination for governor on both the Democratic and Republican tickets and for the Republican nomination for United States senator, these were almost lost sight of in Indianapolis in the tight for re-nomination being made by Alvah J. Rucker, who as prosecuting attorney caused the indictment of Thomas Taggart, Democratic national committeeman, Mayor Joseph E. Bell and more than 100 others on charges of election conspiracy. Bell was acquitted after a long drawn out trial and the charges against Taggart and all the others, except a few who pleaded guilty, were dismissed.

COUNCIL FIXES

(Continued from Page 1.)
finally, resulted in an unusually large attendance of citizens in the council chamber. It was 8:10 when President Keller rapped for order.

Mayor Riggbee, Service Director Christian, Safety Director Bigbee, Auditor Dodd, Treasurer Frye and Solicitor Norpell were present at the meeting.

All members of council responded to roll call and the reading of the minutes was quickly disposed of.

Mr. Keyes, of the finance committee, asked for further time to consider the request of the Eagles for financial aid for their convention this summer.

The street committee recommended that Moul street be paved and that the improvement of South Williams street, between Riley and Union, be carried out and that the property owners bear their share of the improvement. The committee recommended no action on the petition to construct sidewalks on Church street west of the car barns.

The law committee recommended that the Mahr heirs be paid a remitter of \$30 on an assessment for a sewer in North Fourth street.

Mayor Riggbee reported the following collections for the month of February:

City cases:
Fines collected . . . \$252.40
Licenses collected . . . 87.00
Other collections . . . 9.00
Mayor's fees . . . 230.40

Total . . . \$579.80
State cases:
Fines collected . . . \$114.00
Mayor's fees . . . 46.00
Officers' fees . . . 23.00

Total . . . \$183.00
Engineer Wells reported that the petition for a sewer in Woods avenue was signed by a majority of the property owners.

Otto Ramey and 22 others, residents of Ninth street, asked that the street be paved. F. S. Bader and four others, residents of South Cedar street, asked that the street be paved from Main street to East Main avenue. H. H. Shouck and 24 others petitioned council to pave Eleventh street from Granville to West Main street.

E. S. Randolph, E. T. Johnson and William Anderson presented a bill for \$5 each for work as appraisers of property. A resolution

Kendon Mfg. Co., Minneapolis, Minn.

later authorized the payment of the bill.

The gas ordinance, fixing the gas rate at 28, 30 and 32 cents for six years and 11 months, with a discount of three cents per thousand, was passed on a suspension of rules.

Mrs. Alexander and Seward voted against the measure.

Mr. Adams' ordinance to proceed with the paving of Chestnut, Fifth and Commodore street was passed on suspension of rules.

A resolution by Mr. Beadle ordering the service director to remove a chicken coop from an alley near Oakwood avenue was adopted.

A resolution repealing another resolution authorizing the use of brick in sidewalk construction was adopted.

Resolutions were adopted asking for plans for the Woods avenue sewer, repaving of East Main street from the B. & O. crossing to Cedar street, paving of Ninth and the paving of Cedar streets.

Mr. Keyes offered a resolution to construct sidewalks in West Main from Eleventh to Twelfth streets, and in Union street. It was adopted on suspension of rules.

Mr. Knauer's resolution for the Harrison street sewer was adopted on suspension of rules. His resolution for a sewer in Gannor avenue was also adopted on suspension of rules. The same disposition was made of the resolution for a sewer in Prospect street. A resolution for a sewer in Poplar avenue was adopted on suspension of rules.

A special committee to appraise benefits from the paving of Kibler avenue made a report of its work.

It was signed by Messrs Anderson, Johnson and Randolph. The report showed some changes in the assessment. It was received and filed.

Below is the gas ordinance in full:

ORDINANCE NO. 2577.

By Adams, Knauer, Shiner, Keyes, Rucker, Stadel, Beadle.

Regulating and fixing the price of the Newark Natural Gas and Fuel Company, its successors and assigns may charge for natural gas for light and fuel in the city of Newark, Ohio.

Be it ordained by the Council of the City of Newark, State of Ohio,

Section 1. That from and after the expiration of the rate fixed in the ordinance No. 2123 to-wit: March 23, 1916, the rate of two dollars and fifty cents per thousand cubic feet of gas used or consumed by all persons, firms or corporations using or consuming the same shall be subject to a discount of 30 per cent for each thousand cubic feet of gas used or consumed by all persons, firms or corporations using or consuming the same on or before the 10th day of each month for such natural gas consumed the month previous thereto.

Section 2. That for a period of three years from the expiration of the two year period mentioned in section one of the said ordinance, the price of the Newark Natural Gas and Fuel Company, its successors or assigns may charge for natural gas for light and fuel to all persons, firms or corporations using or consuming the same at the rate of 100 per thousand for each thousand cubic feet of gas used or consumed by all persons, firms or corporations using or consuming the same on or before the 10th day of each month for such natural gas consumed the month previous thereto.

Section 3. That from and after the expiration of said three year period mentioned in section two hereof until the expiration of the franchise granted by said city to said company by ordinance No. 2123 to-wit: February 21, 1918, the said city hereby establishing, fixing and regulating the price The Newark Natural Gas and Fuel Company, its successors or assigns may charge for natural gas for light and fuel to all persons, firms or corporations using or consuming the same at the rate of 100 per thousand for each thousand cubic feet of gas used or consumed by all persons, firms or corporations using or consuming the same on or before the 10th day of each month for such natural gas consumed the month previous thereto.

Section 4. That the prices fixed by section 2 and 3 of the said ordinance shall be subject to the maximum prices that said company may charge for said respective periods.

Section 5. That the Newark Natural Gas and Fuel Company shall maintain a pressure at the meter of the consumers of not less than 4 oz. per square inch at all times, and except where a lesser pressure is temporarily brought about by the act of God or accidents beyond the control of said company.

Section 6. That this ordinance shall take effect and be in force from and after the date hereof and shall be subject to the approval of the city council and the acceptance of the obligation imposed upon by this ordinance by The Newark Natural Gas and Fuel Company.

Passed March 6th, 1916.

C. B. KELLER, President of Council.

J. S. WOOLWARD, Clerk of Council.

Approved by the Mayor this 7th day of March, 1916.

Attest: R. C. BIGBEE, Mayor.

COLUMBUS IS TO HEAR W. J. BRYAN; MEETING TONIGHT

Columbus, March 7.—William Jennings Bryan was on his way here from Washington today to make speeches against militarism in Columbus tonight, at Ada tomorrow and in Toledo tomorrow night.

The meeting here was arranged by the Ohio anti-militarist league of which Rev. Dr. Washington Gladden is president. Mr. Bryan was expected to reach Columbus late this afternoon from Chillicothe and will attend a reception immediately on his arrival. He probably will remain here until tomorrow morning.

SUSPEND RAILROAD'S RATES

Washington, March 7.—Tariffs of the Erie railroad cancelling its east-bound lake and rail rates to points in New England were suspended today by Interstate Commerce Commission for investigation until July 18.

BRIBERY

TRIAL OF FORMER MAYOR CARL H. KELLER OF TOLEDO HAS BEGUN.

Motion of Defense to Quash Indictment Overruled—Impanelling a Jury.

(Associated Press Telegram)

Toledo, March 7.—Trial of former Mayor Carl H. Keller on a charge of bribery in connection with the awarding of a \$60,000 contract for motorized fire apparatus to a Cleveland automobile company began at 11 o'clock today. First move was made by Keller's counsel who sought to have the indictment quashed, contending the charges were indefinite and insufficient. This motion was overruled and work of securing a jury was commenced. This work will probably consume the entire day. The state expects to present its case in one day.

Readers' Viewpoint

Rural School Question.

Editor of the Advocate:

Have the promoters of the project to break up the Newark township school district and form a new district of Cherry Valley, Fulton's and Star Hill, ever given consideration to the rank injustice of taxing the Fulton and Star Hill districts to put up and maintain a building of six rooms at Cherry Valley while they leave out the northern portion of the township?

J. Willis Fulton.

NORTH NEWARK PROGRESSIVE BROTHERHOOD

The Progressive Brotherhood of North Newark met in regular session Monday evening, March 6 at 7:30 o'clock in the Maple Avenue C. U. church with President C. L. Riley in the chair.

The regular routine of business was carried out, with good reports from the different committees.

It was decided to secure a speaker in the near future to deliver a lecture on community interests.

The committee appointed to look up the gas question reported they had interviewed different people and that the present rate was high enough, which is 25 cents, less 10 per cent.

Four new members joined the organization, bringing the membership over fifty members. At the next meeting, which will be held Monday evening, March 20, it was decided to meet at 7 o'clock in the church basement for the business session and attend the evangelistic services at 7:45, in charge of the Ackley evangelistic party. A special sermon being prepared for this night.

The following musical program was rendered:

Solo—Mr. Geo. Calhoun.

Duet—Marguerite Beasley and Grace Pine.

Solo—Arthur Cass.

Musical—Mixed quartette.

Remember, men of North Newark, this is not a church brotherhood, but an organization of men of all classes and church belief united for one purpose—the betterment of North Newark. Come and unite with us in this work.

BUILDERS' EXCHANGE RENTS A SUITE OVER "CHRISTIANS' STORE."

Builders' Exchange members have rented the suite of rooms over the Christian's furniture store on the north side of the square, where they will meet this evening and every Tuesday evening hereafter.

We now have about seventy-five members.

"OFFICER 666."

"Officer 666," the well known comedy which has been popular on the legitimate stage for several years, will be presented tonight at the High School Auditorium by the Maskers of Denison University. The play was staged at Granville several weeks ago and those from Newark who witnessed the production declared that the entertainment was as good as that offered by the professional company seen here a year or so ago.

Do You Feel Headachy? Look To Your Stomach

It is an unusual thing for a druggist to sell medicine under a guarantee to refund the money if it does not cure. Yet this is the way T. J. Evans, the popular druggist, is selling Mi-o-na, the standard dyspepsia remedy.

Never before has he had so large a number of customers tell him that a medicine has been successful as with Mi-o-na. People who a few months ago looked like walking skeletons have put on flesh and today are ruddy and vigorous with perfect digestion and good health.

There is no longer any need for anyone suffering or making their friends suffer on account of dyspepsia. Mi-o-na can always be relied upon. The percentage of cures is so great that there is little risk to T. J. Evans in guaranteeing to return the money if the medicine does not relieve. And he stands ready to do so without any question.

Headaches, all forms of indigestion, specks before the eyes, dizzy feelings, poor sleep, ringing in the ears and all forms of liver trouble are helped by Mi-o-na. A few days' treatment should show considerable gain in health while a complete cure often follows rapidly.

These days are the best in the whole year for the enjoyment of good health, and Mi-o-na will put you in such perfect condition that you can enjoy every minute of them.

TAKE IRON, SAYS DOCTOR, IF YOU WANT PLENTY OF "STAY THERE" STRENGTH LIKE AN ATHLETE!

Ordinary Nuxated Iron Will Make Delicate, Nervous, Run-down People 200 Per Cent Stronger in Two Weeks' Time, in Many Cases.

New York, N. Y.—Most people foolishly seem to think they are going to get renewed health and strength from some stimulating medicine, secret nostrum or narcotic drug, said Dr. Sauer, a specialist of this city, when, as a matter of fact, real and true strength can only come from the food you eat. But people often fail to get the strength out of their food because they haven't enough iron in their blood to enable it to change food into living matter. From their weakened, nervous condition they know something is wrong, but they can't tell what, so they generally commence doctoring for stomach liver or kidney trouble or symptoms of indigestion. They know something is wrong, but they can't tell what, so they generally commence doctoring for stomach liver or kidney trouble or symptoms of indigestion. They know something is wrong, but they can't tell what, so they generally commence doctoring for stomach liver or kidney trouble or symptoms of indigestion.

NOTE—Nuxated Iron recommended above by Dr. Sauer, is one of the newer organic iron compounds. Unlike the older inorganic iron products, it is easily assimilated, does not injure the teeth, make them black, nor upset the stomach; on the contrary, it is a most potent remedy in nearly all forms of indigestion as well as for nervous, run-down conditions. The Manufacturers have such great confidence in Nuxated Iron that they offer to forfeit \$100.00 to any charitable institution if they cannot take three times per day after meals for two weeks. Then test your strength again and see for yourself how much you have gained. I have seen dozens of nervous, run-down people who were ailing all the while, double and even triple their strength and endurance and entirely get rid of all symptoms of dyspepsia, liver and other troubles in from ten to fourteen days' time simply by taking iron in the proper form, and this after they had in some cases been doctoring for months without obtaining any benefit. But don't take the old-fashioned iron if you want it to do you any good, otherwise it may prove worse than useless. Many an athlete or prize fighter has won the day simply because he knew the secret of great strength and endurance and filled his blood with iron before he went into the fray, while many another has gone down to inglorious defeat simply for the lack of iron.

ESTABLISHED IN 1820

Entered as Second Class Matter March 10, 1882, at the postoffice at Newark, Ohio, under Act of March 3, 1879.

Newark's Gas Rate.

The Newark city council passed a new gas rate ordinance last night. The old ordinance expired at midnight March 6th and the new ordinance will begin at the earliest period allowed by law.

The new rates as fixed in this ordinance are two years at 25 cents, three years at 27 cents, and two years at 30 cents. The ordinance further provides that the company shall maintain a four ounce pressure at the point of consumption, thus insuring a full and adequate supply of natural gas under all circumstances, excepting such as are beyond the control of the gas company. The new rate ordinance, we understand, is acceptable to the company and various local organizations which have given the matter thorough investigation have ratified and approved the rates fixed by council.

That Newark is fortunate in getting an ordinance prescribing these rates is indicated by the prices charged for natural gas in some of our surrounding cities. Columbus is now paying 30 cents with an increase asked to 35 cents; Zanesville is paying 30 cents with an increase coming in the near future. Lancaster which owned its own distributing system, and a few years ago had its own producing territory, as well as a surplus of over \$200,000 in treasury, is now paying 25 cents with an increase on May 1st when the contract with the producing company expires. Delaware pays 30 cents with an increase in sight. Chicago Junction, Findlay, Fostoria, Fremont, Tiffin and Lima, all cities which a few years ago were lowering their windows when the room got too hot instead of turning down the gas, pay from 20 cents net to 40 cents net.

The city council is to be congratulated upon settling a most perplexing problem. While the city has been fighting in the courts for a low rate for years and the litigation has shown that the gas company has received good returns upon its investment, the fact remains that the product of the gas company is limited and that a demand exists for the supply of gas at rates in excess of the price paid in Newark.

If a satisfactory rate had not been agreed upon an appeal would doubtless have been taken to the public utilities commission, which would have meant a long drawn out, expensive litigation, and doubtless a rate in excess of that provided for in the ordinance would have been made by the commission.

The passage of the rate ordinance by council will serve to clear up some litigation in the courts though it does not affect the large escrow fund disposition of which is to be determined by the supreme court of the United States.

The moving picture stars are more successful financially than the baseball stars, but anyway the latter can console themselves that their salaries exceed those of college presidents.

The Observance of Lent.

There was a time when some cautionary words might have been said about the observance of Lent. White souled people seeking counsels of perfection would deny themselves food absolutely necessary for their service to the world. Their anxious and morbid souls fretted over imaginary sins. Lacking adequate physical sustenance, they were actually less able to meet the irritations and difficulties of life.

Today few people need advice on that score. They may give up certain diversions, but enter with renewed enthusiasm on others equally unspiritual. They make slight changes in diet, but rarely leave any table hungry. They have avoided ascetic excesses, from which they were never in any peril.

Still Lent does bring a certain lesson in dissipation to many society circles, which is most beneficial. Often, however, the result is merely that a little renewed energy is accumulated to begin the same old round again Easter Monday.

Republican St. Louis voted over two to one to segregate the colored people of that city in special quarters outside of which they are not allowed to reside. The Ohio Republican machine refused to let a single colored man's name go on the ticket anywhere for delegate to the national convention. It begrudgingly allowed the race one alternate at large. In other words representation without voting. The grand old party loves the colored man—on election day!

The total German losses in the first two days of the Verdun fighting were 150,000. After two days more of it, the total losses for the four days were 100,000. Great heads, those dispatch writers.

Quaker Quips.

(Philadelphia Record.)

The lazier a man is, the harder he tries to work other people.

Many a fellow never makes a firm stand until every avenue of escape is cut off.

A wedding isn't the only place where the best man can't always prove it.

Bow-legged people are not the only ones who are inclined to follow their natural bent.

A man deserves to lose who permits a 10-cent argument to lead him into a \$10 bet.

A man can afford to be perfectly frank if he doesn't care whether he has any friends or not.

The barber doesn't have to be a pugilist to give you an upper cut when you have your hair trimmed.

Tommy—"Pop, what does a volcano belch forth?" Tommy's Pop—"Copy for newspaper correspondents, my son."

If it wasn't for the coffee mother used to make, many a married man would be at a loss for something to kick about.

"What is the force that makes the world move?" asked the teacher. "An inability to pay the rent, principally," replied Willie Wise.

Joak—"Where is a good health resort for a fellow to go for a cough?" Joak—"That depends upon how much he wants to cough up."

ITCHY SALT RHEUM

Sometimes Called Eczema—Removed by Hood's Sarsaparilla.

Salt rheum is one of the worst and unfortunately one of the most common of all diseases. How it reddens the skin, itches, oozes, dries and scales, and then does this all over again! Sometimes it covers the whole body with inflamed, burning patches and causes intense suffering, which is commonly worse at night. Local applications may do some good, but they cannot permanently relieve. The disease will continue to annoy, pain and perhaps agonize, until the blood has been purified and the general health improved.

Ask your druggist for Hood's Sarsaparilla, the good old reliable family remedy. It has given perfect satisfaction in thousands of cases. Insist on having Hood's Sarsaparilla, for no substitute acts like it. Get it today.

Daily History Class—March 7.

1774—British government closed the port of Boston. The "Boston tea party" of Dec. 16, 1773, led to retaliatory measures.

1877—Matilda Heron, actress, noted for her Camille, died; born 1830.

1915—Great Britain, France and Russia announced loans to Belgium, Servia, Greece and Montenegro totalling \$270,000,000.

ASTRONOMICAL EVENTS.

Evening stars: Jupiter, Mars, Saturn. Morning stars: Venus, Mercury. In the center sky, south of east, the Sickle of constellation Leo is conspicuous at 9 p. m.

Politician Root and Lawyer Root.

The Mr. Root, lawyer, who has been addressing the World Court League on the subject of international law is no other than the Mr. Root, politician who recently spoke to the Republicans of New York on the same subject in its relations to the foreign policy of the United States.

Two different men could not have been more sharply in contrast. Politician Root was not over-scrupulous in his attack upon the president. For the purposes of that onslaught he assumed that the law of nations was tangible and effective. Lawyer Root profoundly contemplates the law estate to which international law has fallen, and in phrases born of meditation and restraint, considers the question whether civilization henceforth is to be law-abiding or lawless.

That is the president's problem in a much higher sense than it is Lawyer Root's. The issue of law or lawlessness comes home to Mr. Wilson in no academic way. Short of war, the president, by force of circumstances and by oath of office, has nothing but the shattered fabric of international law with which to sustain the rights of Americans. Every failure to check the brutalities of desperate nations of which Politician Root complains has been due to disregard of the international law whose collapse Lawyer Root mourns.

It must be that the Republicans in congress saw the errors of Politician Root before they were revealed to Lawyer Root, for most of them have been giving the president patriotic support in his foreign policy. Now that Lawyer Root has spoken, they will be confirmed in an attitude that may yet redound to the credit of Politician Root himself, provided Lawyer Root keeps the upper hand.

German Sacrifice of Life.

(Providence Journal.)

"Advance, no matter what the losses may be." That was the German order at Verdun, as copies found on captured officers prove.

No matter what the losses may be, it is in line with the German policy from the beginning. The individual soldier must be ruthlessly sacrificed for the advantage of the state. Thousands and tens of thousands must be hurried to destruction for the sake of winning a few square miles of territory.

Of course war is cruel. Of course it may be the truest humanity to pour men into a maelstrom of death or save more men from a future sacrifice. But Germany alone among the belligerents has given the world the impression of an unfeeling readiness to send human beings in vast numbers to a certain fate.

General Joffre's idea is to hold back his troops from wholesale slaughter as long as he possibly can. The result at Verdun is seen in the German gains—gains of hills and valleys, purchased at a staggering loss of life. The flags of victory that Berlin has been flying might well be draped with mourning for the disproportionate yielding up of military strength in men.

The history of modern warfare teaches that an enemy cannot be finally beaten by the mere taking of his position. He must be annihilated or compelled to surrender. Germany has not been able to force Joffre's army, or any portion of it, to either of those alternatives. On the contrary it is the German army which, by its reckless throwing away of lives, has suffered far the more severely. The net result so far at Verdun is equivalent to the loss by surrender of a large body of the Kaiser's troops.

Pointed Paragraphs

Is the correct quotation "blood and iron" or Stone and Gore?—Wall Street Journal.

The customary stormy weather impresses Senator Borah less with the necessity of changing the Administration.—Washington Post.

There may have been nothing decisive about the Senate's vote, but we suspect that it will be a long time before the Senate burns its fingers again on that particular red-hot poker.—New York World.

William J. Bryan is the Brutus to President Wilson's Caesar, only in this instance Caesar is forwarmed.—Chicago News.

The German activity in France may be through fear that the Grand Duke Nicholas will appear there next.—Boston Herald.

A certain amount of preliminary conversation on any situation, however urgent, is recognized as a Congressional prerogative.—Washington Star.

We are about to find out which Congressmen are American and which are Bryanites.—Charleston News and Courier.

A beautiful thought that some of these trimming politicians in Congress will thus be nailed to the cross.—Indianapolis Star.

The New Haven has purchased 50 new locomotives. Let us hope it will prove to be wreckless expenditure.—Pittsburgh Gazette-Times.

Very Unusual.

"Then you say you have a model husband?"

Quite. Since we have been married he has never given the neighbors a moment's anxiety.—Kansas City Journal.

Be Healthy, Happy and Vigorous

Vigorous Men and Women Are In Demand.

In this strenuous age of competition you need a tonic to make you fit for the battles of life. If you feel tired out, out of sorts, mentally or physically depressed try WENDALL'S AMBITION PILLS. If you are dissatisfied T. J. Evans is authorized to refund the purchase price on the first box purchased. AMBITION PILLS have helped others who suffer from nervous system. It is folly to suffer from loss of appetite, lack of confidence, sleeplessness, kidney, liver complaints without trying to conquer these afflictions. Marked benefit may be noted from the use of Ambition Pills. Fifty cents at T. J. Evans and dealers everywhere. Mail orders filled, charges prepaid, by the Wendell Pharmaceutical Company, Inc., Syracuse, N. Y.

Spirit of the Press

Choice Offered.

The issue presented by the preparedness measures is whether this country would rather be a real nation or a genuine, first-class doormat.—Chicago Herald.

Taking Long Chances.

Frank Thomas of Topeka predicts that Carranza "will be down and out in 60 or 90 days." Possibly so. But no prediction for Mexico as far ahead as 60 days can be regarded as trustworthy.—Kansas City Journal.

Commerce of Neutrals.

Despite the overwhelming domination of the seas by the British navy, England is almost pitifully dependent upon the United States, for munitions of war and for a wide variety of indispensable commodities, contraband, non-contraband and conditionally contraband. To say

nothing of the fearful barbarity of a food blockade per se, there is every reason in the world for England to hesitate long before destroying completely the commerce of the neutrals upon which she is so dependent.—Kansas City Journal.

What Next?

If England can't be starved and Germany won't be, why all this talk of new frightfulness and of fresh reprisals? Is it possible the war is entering upon another and more spectacular stage?—Pittsburgh Gazette-Times.

American Men.

Most men are old fogies at 25. At that age they have acquired a few hard and fast opinions, a working knowledge of some job sufficient to support them, and a routine of existence which neither varies nor expands until they die.—Woman's Home Companion.

Hard Lines.

British bachelors are to be immolated on the altar of their country. Isn't the punishment for celibacy a little severe? Such discrimination would be unconstitutional in America, but Britain is an unconstitutional country.—St. Louis Globe Democrat.

Needs of Belgium.

The account given by Mr. Frederick Wolcott, an agent of the Rockefeller Foundation, of the continued privations of the poorer classes in Belgium, during the German occupation, and the sufferings endured by others who are not so helplessly destitute, emphasizes the need of carrying forward with all the energy possible, the relief work so well administered by the American Commission, of which Mr. Herbert C. Hoover is the head. Americans have done much for the relief of stricken Belgium. They must do more. The Belgians are doing all that they can to help themselves, but the conditions are all against them. The industries are paralyzed. There is some farming, but a large majority of the people are unable to do anything for their own support.—New York Times.

Making X-Rays of An Elephant.

Minnie, the elephant in a Cincinnati zoo, is an animal with an expensive appetite. She has shown a propensity for diamonds as well as peanuts, and thereby hangs a tale. Not long since, while eating the proverbial peanuts from the hand of a bystander, Minnie playfully slipped her trunk over his hand and removed a valuable diamond ring. Worse than that—she swallowed it.—Puzzle and the ring. The elephant's keeper procured an X-ray machine and Minnie's picture was taken in seven installments. The ring was found to be lodged in her throat and was successfully removed while Minnie was none the worse for her novel experience.—The American Boy.

The Advocate's Melting Pot

After all, the most natural beauty in the world is honesty and moral truth; for all beauty is truth. True features make the beauty of a face, and true proportions the beauty of architecture, as true measures that of harmony and music. In poetry which is all fable, truth still is the perfection.—Shaftebury.

You Know Him

To one more mutt
We'll give the boot,
He calls it "suit."
When he means soot.
—Luke McLuke.

Pray let us add
A little foot—
Note, that this lad
Must have meant soot.

The Ear Muff.

Now here, children, we have the Humble but Efficient Ear Muff. It was brought into Prominence years ago by our Distinguished fellow-townsmen, Mr. M. R. Scott. It is not definitely known whether he wears them to keep out the cold or to surround himself with an Unbroken Silence. However this may be, he generally discards them by the first Warm Days in July.

Aunt Caline says: Uncle O. A. Pippin has just come home with his fourth wife. He says he hopes this one will last him through.

High, Low?

"When man starts out," said Mr. Meeky.
"It's strange but it is so.
To have a high old time, he seeks
Society that's low."

Low Gear, Girls!

A St. Louis girl is going to marry a man she saw but twice. It was a

Pretty Prunella

Prunella tries to make a hit
As through the world she goes;
But everybody throws a fit
When she shakes through her nose.
—Youngstown Telegram.

Prunella does not wear short skirts.
Prunella never awakes.
She thinks that advertising hurts
Girls with this sort of limbs: O.
—Houston Post.

Prunella makes another hit—
She's wise beyond her time—
She knows she can't write poetry
So never makes a rhyme.
—Memphis Commercial Appeal.

Prunella cannot make a hit.
Because, forsooth, of this:
Her clavicle's not made for it
And also she's a miss.

Did You Know

That the blue of the sea stands in a constant ratio to its saltiness? In the tropics the tremendous evaporation due to the blazing sun makes the water much saltier than it is in high latitudes. North and south of the equator for about 30 degrees the waters of the seven seas are of an exquisite azure. Beyond these latitudes the blue fades into a dull green.

THIS IS "BABY WEEK"

New Zealand has long had the lowest infant rate in the world and more than any other country New Zealand is actively working to reduce its infant death rate still further. This saving of babies' lives has progressed most markedly since the New Zealand Society for the Health of Women and Children began in 1907 its instructive nursing.

The nurses of this society—called "Plunket nurses" from the former governor and his wife who assisted Dr. Truby King in organizing the society—work from seventy centers scattered through the dominion and visit periodically all the neighboring towns and outlying districts to give advice and instruction in matters pertaining to the hygiene of motherhood.

The services of the nurse are at the disposal of every member of the community, rich and poor, and especial emphasis is laid on the value of her advice and help to expectant mothers. She does not however undertake the daily care of sick people as her primary aim is educational. When the visit of the Plunket nurse is expected in a community the local committee arranges for her to hold mothers' meetings and demonstrations of baby care in addition to classroom talks and home visits. Correspondence with mothers in country districts too remote to be visited often is also a part of her duties. The Society further maintains at Dundedin the Karitane-Harris hospital for babies and mothers which is primarily a school for mothers.

The aims of the society have been thus defined:

"The society is less concerned in reducing the death rate than in improving the health of the people. As

a health society, we are more interested in firmly establishing the all-round fitness of the 24,000 or 25,000 annual new arrivals who will live than we are in reducing the potential deaths from 2,000 to 1,000. However the problems are practically identical, since the simple hygienic measures which tend to prevent death in babyhood are also the measures which lay the foundations of strong and healthy minds in sound enduring bodies for those who survive to be our future men and women."

This educational work by a volunteer society supplements in New Zealand a system of public health work by the Government which includes a complete registration of births, a corps of district nurses distributed throughout the country, maternity hospitals in the cities and maternity wards in many of the country hospitals and strict regulation of midwives with the enforcement of a penalty for the occurrence of septic cases.

In presenting a report on the work of this New Zealand Society, Miss Lathrop, chief of the Children's Bureau of the United States Department of Labor, said:

"Because of the absence of adequate birth and death registration in the United States, the infant death rate of this country as a whole is unknown, but estimates tend to show that it is at least twice the rate in New Zealand, which the registrar general of that country reported in 1912 to be 51 per 1,000. New Zealand, like certain of our states, is a young and vigorous country with a scattered population and with no large cities, and there is every reason to believe that similar volunteer effort in this country would produce similar results."

Theatres

Alhambra, Wednesday and Thursday

The long heralded and much talked of photo-play version of America's greatest western play "The Great Divide" has been completed by the Lubin company, and with Ethel Clayton, the popular Lubin player and House Peters in the leading roles will be shown to patrons of the Alhambra theatre on Wednesday and Thursday.

In support of Miss Clayton and Mr. Peters is a most capable cast among whom are Warner P. Richmond; Mary Moore, of the famous family of photo-players; Hayden Stevenson, Ferdinand O'Beck and Ray Chamberlain.

Should a Woman Divorce?

Another of those popular Ivan films comes to the Mazda Wednesday, "Should a Woman Divorce?" Grace Roberts, a farmer girl, is attending school in Chicago and meets Dr. Franklin, whom she loves dearly, but who hesitates asking her to marry him on account of an affliction to his eyes. Edward Smith a wealthy cattle buyer, comes to her parents home, becomes infatuated with Grace and they marry. Two years elapse and Grace and Smith and their little daughter Vivian live in their palatial home in Chicago, but Smith makes Grace unhappy on account of his wayward habits. One night she meets her husband in the company of two women. She tells her marital troubles to her former lover, Dr. Franklin, and he suggests an elopement and they go to New York and marry and live as Mr. and Mrs. Scott. After six years Vivian Smith takes ill and her father takes her to the renowned specialist, Dr. Scott of New York. Smith discovers his wife and threatens her arrest for bigamy. Dr. Scott loses his eyesight, becomes mad with fear and jealousy and in a dream sees Grace in Smith's arms. He awakens from his sleep and attempts to go to her and as he is about to embrace her expires. Left alone, Smith and his family plead with Grace to return to Chicago but she refuses and goes to her old home on the farm.

Although the price of admission usually charged for this fine picture is ten cents the Mazda will give its many patrons a chance to see it at five cents.

More Rheumatism Than Ever Before

Clergymen, Lawyers, Brokers, Mechanics and Merchants Stricken.

Our old friend Rheumatiz is having his inning this year, and a few words of caution from one who knows all about it may not be amiss.

Wear rubbers in damp weather; keep your feet dry; drink plenty of lemonade, and avoid strong alcoholic drinks.

If rheumatism gets you, or sciatica, and you have sharp twinges, gnawing pain or swollen joints or muscles, you can get rid of all agony in just a few days by taking one-half teaspoonful of Rheuma once a day.

All druggists know about Rheuma; it's harmless yet powerful; cheap, pure, and a 50-cent bottle will last a long time. Ask T. J. Evans or any druggist.

Mazda Theatre.

Any one who goes to the great moving picture lecture of Rodney J. Diegle on the Ohio Penitentiary with the expectation of hearing him complain of his own misfortunes will be disappointed. "I have no bitterness in my heart against any one," said Mr. Diegle. "I believe in the old saying that there is so much good in the worst of us and so much bad in the best of us that it does not become any of us to speak ill of the rest of us. I am moved solely by humanitarian motives in presenting my Exposition of Prison Life. I know that the majority of people who are informed on the subject are not in favor of the old time torture system of prison management and I hope to enlighten many who are not familiar with the subject, as to what the new plan means, not only to society, but to the unfortunate fellow who has slipped but still possesses the desire to come back and make good. "Knowing by actual experience of the men and scenes which he describes, Rodney J. Diegle will present the Ohio penitentiary in 4000 actual feet of motion pictures made on state authority with a descriptive lecture by himself, at Mazda Tuesday.

Tit for Tat.

"Oh! Why did I ever marry you?"

"Because I didn't know any better,"—Life.

How To Break Up A Bad Cough

The following prescription is now being widely used in New England for breaking up severe coughs and colds, catarrh, bronchitis and thereby preventing Grippe, Pneumonia or other serious and permanent lung trouble.

Get from your druggist a large bottle of Oxidaze (containing ninety tablets) and every two hours allow one of the tablets to slowly melt in your mouth so that its powerful healing juices, mixing with the saliva, will reach and heal the inflamed membranes, clear the throat of all dangerous germ life, loosen a dry, hoarse or tight cough and by stopping the formation of phlegm in the bronchial tubes quickly end the persistent "hang on," loose cough. Many a serious, possibly fatal, case of lung trouble or pneumonia can be prevented by the simple use of Oxidaze in this way. And, as the tablets are pleasant and easy to take, are not at all expensive, contain no harmful or habit-forming drugs, and as W. A. Erman, Evans Drug Co., and other leading druggists everywhere sell them with a positive guarantee that they will stop a cough or money back, no one who has a cough or cold can lose by giving them a fair trial. Be sure to insist on Oxidaze and take nothing in its place. A single package taken now may easily save many dollars in doctor's bills in future.

"TIZ" GLADDENS SORE, TIRED FEET

No Puffed-up, Burning, Tender, Aching Feet—No Corns or Callouses.

"Happy! Happy! Use 'TIZ'!"

"Tize" makes sore, burning, tired feet fairly dance with delight. Away go the aches and pains, the corns, callouses, blisters, bunions and chilblains.

"Tize" draws out the acids and poisons that puff up your feet. No matter how hard you work, how long you dance, how far you walk, or how long you remain on your feet, "Tize" brings restful foot comfort. "Tize" is magical, grand, wonderful for tired, aching, swollen, smarting feet. Ah! how comfortable, how happy you feel. Your feet just tingle for joy; shoes never hurt or seem tight.

Get a 25 cent box of "Tize" now from any druggist or department store. End foot torture forever—wear smaller shoes, keep your feet fresh, sweet and happy. Just think! a whole year's foot comfort for only 25 cents.

Rippling Rhymes

House and Home.

"I own my house, but have no home," said J. Augustus Cork, as wearily he tried to comb his whiskers with a fork. "My house is strictly up to date, with every modern fad, and visitors pronounce it great, and think I should be glad. An English butler battles round, and wields a frozen stare; imported maids are on the ground, to comb my lady's hair. And have works of art to bury all swell and resplendence, with here a bust or Grecian urn, and there 'The Stag at Bay.' No kids along the highway rush, or bump along the stair, but over all's a solemn hush, as though a corpse were there. The kids would like full well to romp, and raise a howl, but they must live up to our pomp and vulgar noise eschew. I have a house but not a home, and hence my air of gloom; this mansion, with its gaudy dyes, is cheerless as a tomb. I'd like to swap this swell abode, with all its works of art, for that cheap cottage down the road, where first we made our start." WALT MASON.

NEW TREATMENT FOR SWOLLEN VEINS

Swollen veins are dangerous and often burst. Sufferers are advised to get a two-ounce, original bottle of Emerald Oil (full strength) at any pharmacist and start to reduce the veins and bunions at once. Physicians recommend Emerald Oil; it is used in hospital practice, and a small bottle will last a long time, because it is very concentrated. Apply night and morning with the soft brush as directed until the swelling is reduced to normal.

It is so marvelously powerful that swollen glands, and even goitre disappear when used steadily.

Evans' Drug Store can always supply you.

CONSTIPATION

and West Baden Sprudel Water cannot exist in the same body one hour. At your druggist—small bottles, 15c; large bottles, 35c.

Golden Sun Coffee

Be Curious

Curious people seldom stay satisfied—they try new things until they get better satisfied.

You should try this Golden Sun Coffee, not alone because it wins the favor of nine people in ten who try it, but also because you will likely find greater satisfaction in it than in the coffee you now use.

There is a particular flavor in Golden Sun Coffee—due to the blend—that seems to suit 'most everybody. But you must try it once to see; that's all we want you to do—try one pound and let your taste decide.

Golden Sun Coffee is steel cut by the Golden Sun process. Sold by good grocers.

THE WOOLSON SPICE COMPANY Toledo Ohio

Society

Mrs. George Glassmeir of 490 West Main street was surprised on returning home from shopping Saturday evening to find the members of the Paughanaughshauque club, had taken possession in honor of her birthday. The following ladies were present, beside Mr. and Mrs. Geo. Glassmeir and sons Harry and Carl Frederick: Mrs. Phil Koblin, Sr., Mrs. Carl Koblin, Mrs. Wm. Koblin, Mrs. Phil Koblin, Jr., Mrs. Chas. Carter, Mrs. Demming, Mrs. John Freednour, Mrs. Frank Freednour, Mrs. Wm. Schaeffer, Mrs. Weigans, Mrs. Glassmeir received some very beautiful gifts.

After partaking of a dainty lunch the members departed wishing their hostess many more happy birthdays.

Miss Jessie Simpson, of Linden avenue, delightfully entertained the members of the Zenobia Club, with a six o'clock dinner, at the Neal avenue M. E. church, on Friday evening. A centerpiece of red roses adorned the table, and hand-painted place cards seated the following guests: Misses Frances Monnette, Vernice Bragg, Mary Walker, Leah Orr, Hazel Long, Catherine Butler, Josephine Hull and Charlotte Simpson. The remainder of the evening was spent in needlework at the home of the hostess, and also in the election of officers for the coming year, which resulted in Miss Mary Walker being chosen President, Miss Vernice Bragg, secretary, and Miss Jessie Simpson, treasurer. The club will meet again in two weeks at the home of Miss Vernice Bragg, in Meridian street.

Mock-Billman.

The marriage of Miss Willa Grace Mock of Thirteenth street, and Mr. Lee Billman of Detroit, was solemnized at 10 o'clock this morning by Rev. W. D. Ward, at the home of the pastor in West Locust street. The only attendant was Mrs. Ward. The ring service was used.

Immediately following the ceremony the couple left for their new home in Detroit.

Miss Mock is the daughter of Mr. and Mrs. E. J. Mock and was employed as saleslady at the W. H. Mazey store.

Mr. Billman is the son of Mr. and Mrs. O. F. Billman, formerly of Linden avenue, this city, but now living in Detroit. The groom is employed by the Steiner Bakery company of Detroit.

A very pretty, but quiet wedding was solemnized at St. Thomas church at 7:30 Monday morning when Miss Cecilia Martine of this city became the wife of Mr. George McNamara of Newark.

The bride wore a gown of white chiffon with white tulle veil and carried a shower bouquet of bride's roses.

The bridesmaid was Miss Loretta Durant of this city, who wore a gown of white rice cloth with trimmings of yellow and wore a picture hat to match, and also carried a huge bouquet of jonquils.

The bridegroom's best man was Mr. Raymond Wade of Newark. After the ceremony a wedding breakfast was served at the home of Miss Durant, where the color scheme was again carried out in white and yellow.

After the wedding breakfast the happy couple left, with the congratulations of many friends for the home of the bridegroom in Newark, where they intend to spend the summer.

The out of town guests were Mrs. McNamara, mother of the groom, Mrs. Dilly, sister of the bridegroom, Miss Mary Gilmore and Raymond Wade of Newark, and Mr. Russell Harsch of Massillon.—Zanesville Signal.

The Sick.

Miss May Charles was removed in the Bradley ambulance from the Sanitarium to her home, 79 South First street, yesterday.

Mrs. Howard Diehl of 138 Pataskala street, was removed in the Bradley ambulance from her home to the Newark sanitarium.

Miss Helen Hollowitch, daughter of Steve Hollowitch, was removed yesterday in the Bradley ambulance from her home in Jones street to the city hospital.

John Tibby was removed yesterday in the Tibby ambulance from the city hospital to his home near Granville, after recovering from an operation.

TRY THIS FAMOUS HAIR TONIC FREE

It Won't Cost You a Cent If It Doesn't Stop Falling Hair and Remove All Dandruff Says W. A. ERMAN.

Right away we want you to try Parisian Sage, one of the most delightful, retreating and invigorating hair tonics the world has ever known.

If you have dandruff and Parisian Sage doesn't remove every trace of it—money back from your druggist. If your hair is falling or you have terrible scalp itch, Parisian Sage will stop both or money back.

It aims to prevent baldness by putting life and nourishment into the hair, and the first application makes your head feel so good that you will at once realize why we are so enthusiastic about Parisian Sage.

It's women's favorite hair tonic because it gives to the hair a brilliancy and lustre that fascinates and compels admiration. W. A. ERMAN has scores of people who use Parisian Sage regularly and will tell you all about it. (Adv.)

PRIZES TO BABES WILL BE AWARDED ON NEXT SATURDAY

Dr. U. K. Essington Will Deliver Lecture to Mothers Closing "Baby Week" Program.

Prizes of \$5 each, to the best babe under one year old and the best baby from one to two years old, will be awarded at a meeting of mothers to be held Saturday afternoon at a place which will not be decided upon until late this afternoon.

Wednesday and Thursday afternoon the infants will be scored at the Newark Sanitarium and the City Hospital after the standard prescribed by the Metropolitan Life Insurance company as the measurements, etc., of a perfect child. One of the \$5 prizes is given by this company and the local staff has been active in helping to make a success of the week.

All babies residing east of Third street will be judged at the City Hospital and all babies west of Third street will be taken to the Newark Sanitarium. Doctors and nurses will have charge of the scoring of the children.

Friday flags will be delivered to every child in the city under two years old whose name is found on the records of the local registrars.

Milady's Boudoir

Stout women are ever pining to be thin, whilst their lean sisters are always yearning after the plumpness that the stout despise. Stoutness has great inconveniences, so we cannot wonder why so many wish to reduce their weight.

Some few are predisposed to obesity, it is usually the result of ingesting more food than the system requires. In other words, obesity is caused by overeating and the remedy is: eat less. The effect of overeating does not result only in obesity, but indigestion follows. These two combined are often followed by a train of ills which make life miserable.

A strict diet would readily relieve one of superfluous flesh and in most cases improve. If not correct, indigestion, but the mere thought that one has to derive success of certain foods would at once raise a barrier and the cure would not be considered. Eat sparingly of anything which the appetite calls for and stop eating before the craving for food has been entirely satisfied. A mild decoction of tea or coffee, partaken in moderation, without sugar or cream, will do no harm. Alcoholic drinks should never be considered.

Exercise should be indulged in daily. It is not necessary to have a stated time for this, neither is it necessary to regard duties as of secondary consideration, still one should find time enough to exercise a liberal amount.

Each night, before retiring, a hot bath should be taken. On entering the bath the water should be comfortably warm, but gradually increase the temperature by allowing the hot water to flow into the tub until it is hot. One should remain in this hot bath from ten to thirty minutes and then gradually cool the water while you are in it. After the bath you should not deal gently with the flesh, but rub it vigorously with a coarse towel. Heat and pressure will dissolve fat quickly.

The negro population of the United States is approximately 12,000,000, the larger part (probably 10,000,000) being in the Southern states.

IF YOUR BABY HAS A COUGH

Don't Neglect It

Every doctor will tell you that a cough, cold or sore throat of any kind—especially in a child—is a dangerous thing. Neglect in such cases leads to serious and often fatal diseases. It is important for mothers to know that Father John's Medicine, by means of its soothing, healing ingredients promptly relieves the throat irritation and treats the cough or cold in the natural way. Because it is a pure and wholesome food remedy Father John's Medicine gives strength to ward off the attacks of disease and builds up those who are weak and run down. It is a safe medicine for the children because it is free from alcohol or dangerous drugs in any form. Get a bottle today.

\$1.00, \$1.95 to 7.50

SCHIFF'S EAST SIDE SQUARE SCHIFF'S

Granville

[Special to The Advocate]

Granville, O., March 7.—On Monday afternoon, March 6, about seventy of the Granville Chapter of King's Daughters met in their rooms to hold their annual meeting. The afternoon was spent in sewing and at 5:30 a beautiful supper was served by a large social committee with Miss Minnie Twining as its head. A delightful social hour was enjoyed, and Miss Lily Jones, leader of the chapter called the business session. Reports were presented of the year's work in all its branches, which were gratifying in the highest degree. The result of the election was: Miss Lily Jones, leader; Mrs. Alma Tish, first vice-leader; Mrs. Mary N. Jones, second vice-leader; Miss Blanche Horton, secretary; Miss Gertrude Carpenter, treasurer. Out of town guests were: Mrs. Weaver, county president, Mrs. Brown and Miss Felix, all of Newark.

Miss M. E. Penney delightfully entertained a congenial "partie Carree" at supper Sunday evening at her home in Broadway. Covers were laid for Mr. and Mrs. Charles W. Montgomery of Newark, Miss Fannie J. Ferrar of Denison University and the hostess.

On Monday afternoon, March 6, the "Travelers" reached Ottawa in their Canadian tour and stopped to take a comprehensive view of the noted statesmen and the governmental policy of the Dominion, which they found worthy of the highest admiration. Two of the great men who have done so much for the country were described at some length, as well as the forces which entered into the building and welding of a great power. Mrs. Karl Eschman read an admirably prepared paper on Sir Wilfrid Laurier, the first French-Canadian premier. Under her sympathetic and enthusiastic treatment, one was able almost to visualize the strong and magnetic personality of the brilliant statesman. Miss Eschman possesses a good voice and charming presence. Miss Dora Lisle entered heart and soul into the life and work of Lord Strathcona (Donald Smith) and presented a graphic pen picture of the persevering Scot, who born in 1826, went to Canada in early manhood, in a very ordinary capacity at a salary of twenty pounds a year. At the age of 75 years this remarkable man began the last, and perhaps greatest, chapter of his life history, all of which was related with pleasing fidelity by Miss Lisle. The "Welding of an Empire" was a large order for one afternoon, but it was told in an eloquent and well constructed address, given without notes by Mrs. D. C. Gilmore. There seems to be no doubt that the United States has an admirable neighbor on the north, with never a fort nor shadow of defense in all the 3,000 miles of border line. All three performers received warm congratulations on their work. Next week Winnipeg will engage attention.

The Granville Chapter of the W. C. T. U. will hold a parlor meeting next Friday afternoon, March 10, at the home of Mrs. L. R. Jones in South Main street at which time new members will be received. The meeting opens at 2:00 o'clock.

Miss Grace Chamberlin of the Granville Public Library is busily engaged in plans for the Library benefit to be staged on the evening of March 14 in the Granville Opera House. There will be a clever little play entitled "The Gipsy Girl of Hungary" for the chief attraction and there will be scenes in other countries of sufficient interest to justify the ambitious title for the evening's entertainment: "Around the World in Eighty Minutes." Jules Verne will be out done on this occasion and everybody will enjoy seeing how it is accomplished. Forty of the young people of Granville will take part in these beautiful and varied scenes of different nations and the play has been well cast and conscientiously rehearsed. You will be afforded glimpses of the American Indians, a peep into English and Scottish life, Germany, Hungary, Japan and as a climax "The Land of the Free and the Home of the Brave"—America—Keep the evening free for this engagement.

There will be a regular meeting of the Town Council this evening at the usual time.

Don't forget to go with the "Masquers" this evening for their performance of "Officer 666" in the Newark High School auditorium.

Mrs. A. M. Brumback entertained the executive committee of the Spencer Bible Class on Monday evening at her home in North Pearl street.

The revival meetings in the Methodist church are increasing in interest and a great number have come forward, who will unite with the church. These meetings have been held by the pastor, Rev. Otto Giesen who has given a powerful sermon each evening and two on Sunday—ever since the revival opened.

The rehearsals of the Engewerson Chorus under direction of Mr. Karl Eschman are going forward with vigor and the Spring Festival promises some amazingly good things.

The Opera House was well filled last evening in greeting to Prof. H. D. Fish in the second lecture of his course on "Hereditary in Plants and Animals." The audience was enthusiastically in praise of both lecture and speaker.

The funeral of Mrs. James Davis who died Sunday night at her home southwest of the village, will be held on Wednesday afternoon at 1 o'clock at the residence, Mrs. Davis who was in the 80th year of her age is survived by three children only one of whom, Mrs. Thomas Davis, is a resident of Granville.

\$5,000 TO OTTERBEIN.

Westerville, O., March 7.—Mrs. Sarah A. Baker, who died at her home in Monrovia, Cal., Feb. 7, left \$5,000 to Otterbein college, it was announced here today. In her will Mrs. Baker also made a bequest of \$3,000 to the Bonebrake Seminary of Dayton.

State of Ohio, City of Toledo, Lucas County, ss. Frank J. Cheney makes oath that he is senior partner of the firm of F. J. Cheney & Co., doing business in the City of Toledo, County and State aforesaid, and that said firm will pay the sum of ONE HUNDRED DOLLARS for each and every case of Catarrh that cannot be cured by the use of HALL'S CATARRH CURE.

SUBSCRIBED before me and subscribed in my presence, this 6th day of December, A. D. 1886.

At W. GLEASON, Notary Public.

Hall's Catarrh Cure is taken internally and acts through the blood on the Mucous Surfaces of the System. Sent for testimonials, free.

F. J. CHENEY & CO., Toledo, O. Sold by all druggists, etc.

Hall's Family Pills for constipation.

Dangers of Draft.

Drafts feel best when we are hot and perspiring. Just when they are most dangerous and the result is Neuritis, Stiff Neck, Sore Muscles or sometimes an attack of Rheumatism. In such cases apply Sloan's Liniment. It stimulates circulation to the sore and painful part. The blood flows freely and in a short time the stiffness and pain leaves. Those suffering from Neuritis or Neuralgic Headache will find one or two applications of Sloan's Liniment will give grateful relief. The agonizing pain gives way to a tingling sensation of comfort and warmth and quiet rest and sleep is possible. Good for Neuritis too. Price 25c at your Druggist.

Last season was the greatest in the history of the Yellowstone Park, as 45,000 visitors passed through the place.

Use Marline after Exposure in Cold, Cutting Winds and Dust. It Restores, Refreshes and Promotes Eye Health. Good for all Eyes that Need Care. Marline Eye Remedy Co. Chicago. Send Eye Book on request.

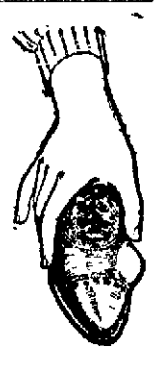

Instant Bunion Relief

At Last! Instant Relief for that Awful Bunion. Try it at our expense. Florence Kramer, in Dayton after an illness of about two years. Her death was due to Bright's disease. Mrs. Davis, who is a resident of Newark, had been at her daughter's home since last July.

The body will be brought to Newark at 1:36 Wednesday afternoon and taken direct to the Church of Christ where funeral services will be held at 2 o'clock, Rev. W. D.

W. A. ERMAN, DRUGS.

Other markets unchanged.

Chicago Grain
(Associated Press Telegram)
Chicago, March 7.—Local quotations from Liverpool tended today to cause a setback in the wheat market here. In this connection traders gave much attention to an increase in the European visible supply total and to cable dispatches referring to the possibility of concerted action toward the opening of the Parisian market. Domestic crop advices appeared to be somewhat less pessimistic than on yesterday. The opening wheat ranged from 74c to 1.31 1/2c lower with May at 1.13 1/2c and July at 1.19 1/2c. It was followed by a slight additional decline. The close was unchanged at 1.17 1/2c net lower with May at 1.12 1/2c and July at 1.19 1/2c.
Corn weakened with wheat. Besides the weather conditions affecting the movement of the corn crop were somewhat improved. After opening 4c to 3c lower the market underwent a further rise.
The close was nervous at 3 1/2c net decline.
Oats declined owing to the downturn in the value of other grains. Buyers were scarce.
Higher prices on hogs made provisions go up. Arrivals of hogs were less numerous than expected.

Toledo Grain
(Associated Press Telegram)
Toledo, March 7.—Wheat, cash 1.16; May 1.17 1/2; July 1.19 1/2.
Corn, cash 77c; May 77 1/2; July 77 1/2.
Oats, cash 44c; May 44 1/2; July 44 1/2.
Rye, No. 2, 51c.
Clover, prime cash 14 1/2; March 14 1/2; April 14 1/2; May 14 1/2; June 14 1/2; July 14 1/2.
Alfalfa, prime cash 27c; March 27c; Timothy, prime cash 25c; March 25c; April 25c.

Wall Street
(Associated Press Telegram)
New York, March 7.—Prices of active stocks tended to express less confidence in prevailing conditions at the opening of today's market. Overnight sales from Washington suggested a further strain on the political situation and foreign news was more conflicting. Gains ruled at the outset, but with the exception of Mercantile Marine Preferred which rose a point, advances were limited to fractions. Later some of these gains were extended while other issues notably California Petroleum were lowered to the point of weakness. United States Steel, United Fruit and Erie yielded with the balance of the list.
Crucible Steel and Baldwin Locomotive led the irregular movement of the early session, dealers in those stocks far exceeding the demand for United States Steel, which continued to decline. United Fruit, however, added two to yesterday's substantial advance and Baldwin 2 1/2. California Petroleum Common and Preferred made

THE RAPID GROWTH of individual wealth has partly come about through the confidential relations of the business man and his banker. Together they have weighed and decided problems in the financing of an enterprise, and have followed the proven truth of the old adage that "two heads are better than one."

THE ADVOCATE'S DAILY PUZZLE.

DENY THAT DIAZ IS IN MEXICO: CITY IS BURNED.

Washington, March 7.—The city of Oaxaca, Mexico, was burned March 7, according to information reaching the state department today from the Carranza government. It was also reported that those who have been in possession of the city have evacuated it.

The Carranza government denies the truth of a report that Felix Diaz has entered Mexico.

AEROPLANE WAS HURLED AGAINST MAST OF SCHOONER.

Mobile, Ala., March 7.—One of the naval hydroplanes at the Mardi Gras here was hurled against the mast of a schooner anchored in the Mobile river today and demolished. The pilot, Lieut. E. O. McDonnell, of the naval aviation corps, escaped without injury.

CABINET HEARS INFORMATION OF COL. E. M. HOUSE.

Washington, March 7.—President Wilson laid before his cabinet today information brought from Europe by Colonel E. M. House regarding official opinion abroad on Germany's submarine warfare and Great Britain's blockade of Germany.

The appendices to the last German note containing instructions from the British admiralty to captains of merchant vessels governing their attitude toward submarines were not laid before the cabinet because their translation into English had not been completed.

LOCK

Mrs. Alice Sessor of near Homer spent last week with her mother Mrs. Ann Hawkins and other friends.

Mr. Shultz went to Newark Friday for a few days visit with her sister, Mrs. H. E. Watson and family.

Robert Morehead of Mt. Vernon spent Sunday with his mother.

Real Estate

MR. RENTER—With your rent the landlord buys another house and rents it. Evidence of good judgment and thrift, on the part of the owner.

Why not be an owner? A permanent residence identifies you with the community interests, creates a larger and broader citizenship.

Life is too short for you to waste your time, your opportunities, your money as a renter. The employer prefers a permanent and thrifty employee.

Now is the time to call on

CASCARETS SELL TWENTY MILLION BOXES PER YEAR

BEST, SAFEST CATHARTIC FOR
LIVER AND BOWELS, AND
PEOPLE KNOW IT.

THEY'RE FINE! DON'T STAY
BILIOUS, SICK, HEADACHY
OR CONSTIPATED.

Enjoy life! Keep clean inside with Cascarets. Take one or two at night and enjoy the nicest, gentlest liver and bowel cleansing you ever experienced. Wake up feeling grand. Your head will be clear, your tongue clean, breath right, stomach sweet and your liver and thirty feet of bowels active. Get a box at any drug store and straighten up. Stop the headaches, bilious spells, bad colds and bad days—Brighten up. Cheer up, Clean up! Mothers should give a whole Cascaret to children when cross, bilious, feverish or if tongue is coated—they are harmless—never gripe or sicken.

NEWARK STAMPING AND FOUNDRY CO. COMING TO FRONT

One of the busiest manufacturing concerns in Newark at the present time is the Newark Stamping and Foundry company, which is a consolidation of three of Newark's industries, namely: The Moser Pattern & Foundry company, whose plant is located along the B. & O. railroad, just south of the American Bottle Co.'s plant; the Newark Stamping Co., whose plant is located on St. Clair street, only 200 yards from the Moser Pattern and Foundry Co.'s plant; and the Huffman Plating works, formerly located at Church and Front streets, but now installed in a new building annexed to the Newark Stamping Co.'s plant.

The Newark Stamping & Foundry Co. is a new name, but by no means can it be called a new concern, because the products of its manufacture have been on the market for some time. These three companies consolidated under this name, each started business on a comparatively small scale, but their growth has been steady and sure.

Each of these plants was engaged in certain lines of manufacturing, which, for good reasons it was best to consolidate into a single company. After the problems of operating expenses and factory efficiency were thoroughly solved, it was plainly evident that these concerns could operate as a single unit to a much better advantage.

While the Moser Pattern and Foundry company is still in existence as a separate company, the consolidation is practically completed, and in due time this company will dissolve.

This department is now working to its full capacity. A large contract order has just been received for castings which will cover some time to come. This is from a Cleveland

concern, and consists of certain tool parts for wood working. The company has a patent pending on certain gas saving devices, and these are now being made in large quantities and are known as "Gas Saver Rings." The same principle is applied to the new "Nestco" Hot Plate, which is a material improvement over old style hot plates; in fact the efficiency department of a large New York concern has declared it to be the best Hot Plate they have ever tested, and certain negotiations are now under way, which look very favorable for the new company.

This department also makes aluminum castings of the best quality and have received substantial orders for contract work.

The pattern department is also very busy making wood and metal patterns, and the company is very fortunate to have some of the highest grade pattern makers in this particular line of work.

In fact the pattern and foundry department has orders which will work this department to its capacity for some time to come, and the company is now considering ways and means for increasing its factory space, that it may increase and take care of its growing business. The company states, however, that it will continue to give prompt attention to local jobbing work as it is anxious to show the citizens of Newark the quality of work turned out.

The new Nestco hot plate will be on exhibition in the near future at the Stewart Bros. and Alward store.

This department was recently acquired by taking over the entire plant of The Huffman Plating Works, and new equipment has been added; this department is now prepared to do all kinds of nickel, brass, copper, gold and silver plating, also equipment for oxidizing processes, metal finishing and metal spinning; this latter process is a method of shaping metal sheets by a lathe or "spinning" process.

The plating department is under contract to do the plating work of several companies outside the city, also for several concerns in the city. This department is also kept busy plating various parts of the "Nestco" Hot Plate and other articles that are manufactured by the foundry and stamping department. The company is still ready to do local job plating of all descriptions, and will give such matter prompt attention. There is no reason for any one to go out of the city to have any metal plating or finishing work done, as this company is equipped to do the very best work, and at reasonable prices.

The stamping department is now specializing on the famous Thompson Indestructible Hose Clamp. The company has orders at the present time for future delivery that will aggregate millions. In fact, this famous little article has been made a standard by most of the big manufacturers in America. The Thompson Tank Hose Clamp is now adopted as standard by The American Locomotive Co., and the Union Pacific Railroad Co.

The following automobile and manufacturing companies have adopted this clamp as standard: The Allen Motor Car Co., The Auto Car Co., Ahrens Fox Fire Engine Co., Austin Auto Co., Auburn Auto Co., Blair Motor Truck Co., Briscoe Motor Co., Burford Co., Beaver Mfg. Co., Chalmers Motor Co., Crawford Auto Co., Cummins Auto Sales Co., Case Threshing Machine Co., Crescent Motor Co., Continental Motor Mfg. Co., Dart Mfg. Co., Davis Motor Car Co., Dodge Bros. Empire Automobile Co., Ford Motor Co., Haynes Auto Co., Lippard Stewart Co., International Motor Co., Interstate Motor Co., Thos. B. Jeffrey Co., Lewis Spring & Axle Co., Madison Motors Co., Mitchell-Lewis Motor Co., Norwalk Motor Car Co., Paige-Detroit Motor Car Co., Pullman Motor Car Co., Saxon Motor Co., Stewart Motor Corporation Co., Rush Delivery Car Co., Teeter-Harley Motor Co., The Touraine Co., Westcott Motor Co., Willys-Overland Co., Wichita Falls Motor Co.

The Thompson Hose Clamp speaks for itself, and it needs no introduction to the public. It is almost safe to say that 90 per cent of the automobiles made in the United States in the past two years is equipped with this little article made right here in Newark. Just for example, the output for February, 1916, was 425 per cent increase over the output for February, 1915. The company has just renewed its contract with the Willys-Overland Co. for this year. This clamp was patented in 1912, and has exclusive features that can not be imitated by others.

The company is incorporated for \$50,000.00. This consists of \$35,000.00 of common stock and \$15,000.00 of preferred stock. The company owns its own real estate and equipment and has not a cent of bonded indebtedness. The following gentlemen comprise the officers of the board of directors: Charles Frederick Sites, president; Fred W. Moser, vice president and superintendent; Harvey J. Alexander, secretary; Eugene F. Ball, treasurer and general manager.

These young men, together with the board of directors are determined that the business of this company must grow as they grow, and the prospects for the future are very bright.

FRENCH REPORTS ADMIT GERMANS HAVE ADVANCED

(ASSOCIATED PRESS TELEGRAM)

Paris, March 7, 2:40 p. m.—The text of the war office announcement on the progress of hostilities is as follows:

"In the Argonne district endeavors on the part of the enemy at Haute Chevauchee to occupy a mine crater have been repulsed.

"Our artillery has continued its bombardment of the lines of communication of the enemy to the west of the river Meuse.

"Favored by an intense bombardment German troops have been able to advance along the railroad line in the neighborhood of Reigneville. At the same moment the Germans delivered a very violent attack against Hill No. 265. An entire division took part in this maneuver. They were successful in taking possession of this hill in spite of the heavy losses inflicted upon them by the fire of our artillery and our machine guns.

"We are in possession of the village of Bethincourt and the groves to the east of the Wood des Corbeaux and the Wood de Cumières, and the heights of Cote de L'oise.

"Artillery fighting continued actively last night to the east of the Meuse in the vicinity of Bras and Hardamont, as well as in the Woivre, in the sector of Fresnes, and in the villages located in the foot hills."

NEWARK LODGES WIN FLAGS FOR GAIN IN MEMBERS

Both Pythian lodges here, Newark Lodge No. 13, and Roland Lodge No. 303, won regulation U. S. silk flags in the membership contest conducted by the supreme domain of Ohio, according to Supreme Representative Charles J. Deckman of Cleveland, who was in the city today representing a Cleveland company at the opening of bids for street paving at the city hall.

The flags were awarded for the largest numerical increase in the Ohio domain in 1915. Mr. Deckman called upon Charles E. Root Grand Trustee, and advised him that he would be expected to make a speech of acceptance when the flags were presented at the Grand Lodge convention in Cleveland, June 13, 14 and 15.

"LITTLE COMRADE"

is a term complimentary to any wife; but how few now-a-days deserve the compliment! If ill-health prevents women should remember that there is one tried and true remedy for their ailments, that is Lydia E. Pinkham's Vegetable Compound. This medicine made from roots and herbs has for forty years been alleviating the suffering of women, making them healthy and strong, and better wives and mothers.

**BIG INCREASE
BRITISH NAVY
SINCE THE WAR**

(ASSOCIATED PRESS TELEGRAM)

London, March 7, 4:30 p. m.—A. J. Balfour, first lord of admiralty, stated in the house of commons this afternoon that the tonnage of the British navy had been increased by 1,000,000 since the outbreak of the war, while the strength of the air division of the navy had grown ten-fold.

Mr. Balfour told the house that never before in Great Britain's history had there been so much naval construction as in the last nineteen months. He asserted the fleet was far stronger than at the outbreak of the war, except in regard to armored cruisers. Many of the cruisers which had been lost had not been replaced.

At the outbreak of the war the number of warships in the British navy of 1,500 or more tons, and of torpedo craft of more than 50 tons totalled 545 vessels with a tonnage of 2,714,106. These figures were prepared by the office of naval intelligence, U. S. navy department, July 1, 1914.

The Limit.

"He's a terrible failure as a dog, isn't he?"

"The limit. I call him Dardy—that's short for Dardanelles."—Life.

Get G-E-T-S-I-T, Don't Be Insulted By Imitations

First-Class Druggists Recommend It
and Will Not Offer You a
Substitute.

"Wheel! I Don't Care! I Got Rid of My Corns With 'G-E-T-S-I-T'!"

"G-E-T-S-I-T" is the way the name is spelled. Don't take a chance with some preparation, selling in a name which resembles "G-E-T-S-I-T." Get "G-E-T-S-I-T"—nothing else. If you don't you'll be deceived.

Isn't it wonderful what a difference just a little "G-E-T-S-I-T" makes—on corns and calluses? It's always right somewhere in the world, with many folks humped up, with cork-screwed faces, gouging, picking, drilling out their corns, making packages of their toes with plasters, bandages, tins and contraptions—and the "holier" in their eyes goes on forever. Don't you do it. Use "G-E-T-S-I-T," it's marvelous, simple, never fails. Apply it in 2 seconds. Nothing to stick to the stocking, hurt or irritate the toe. Pain stops. Corn comes "clean-off," quick. It's one of the gems of the world. Try it—you'll kick—from joy. For corns, calluses, warts, bunions. Be sure it's "G-E-T-S-I-T." You'll waste money and patience on substitutes.

"G-E-T-S-I-T" is sold everywhere. 25c a bottle, or sent direct by E. Lawrence & Co., Chicago, Ill. Sold in Newark and recommended as the world's best corn remedy by T. J. Evans and W. A. Ertman.

Get G-E-T-S-I-T, Don't Be Insulted By Imitations

First-Class Druggists Recommend It
and Will Not Offer You a
Substitute.

"Wheel! I Don't Care! I Got Rid of My Corns With 'G-E-T-S-I-T'!"

"G-E-T-S-I-T" is the way the name is spelled. Don't take a chance with some preparation, selling in a name which resembles "G-E-T-S-I-T." Get "G-E-T-S-I-T"—nothing else. If you don't you'll be deceived.

Isn't it wonderful what a difference just a little "G-E-T-S-I-T" makes—on corns and calluses? It's always right somewhere in the world, with many folks humped up, with cork-screwed faces, gouging, picking, drilling out their corns, making packages of their toes with plasters, bandages, tins and contraptions—and the "holier" in their eyes goes on forever. POLICE DEPT. HARD UP FOR EXTRA COPS

Safety Director Bigbee is having considerable trouble in securing enough extra men to keep the police department up to the number required by ordinance. Until the new ordinance becomes effective the department is supposed to have sixteen patrolmen on duty. With vacancies caused by sickness and suspensions the director has found it necessary to call on all the extra men and these have failed him in the past few weeks. Several men who have been working extra have thrown up the job, pleading sore feet, lame backs or other complaints.

Tea leaves are gathered four times a year from the tea plant after its third year.

25 Years Ago

(From Advocate, March 7, 1891.)

The Solid Four orchestra has been rehearsing some new music which will be given at the M. Q. Baker & Co.'s concert Saturday evening.

Mrs. J. M. Baggs, accompanied by her son Sherman, left this afternoon for Asheville, N. C., to join her husband who is sojourning there with the hope of regaining his health.

The general appearance of the snow around the B. & O. depot this morning presents a very different appearance from that of last night. It was nearly all scraped up by "Fatty" Deering and "Lige" Clark, during their snow balling scrap.

15 YEARS AGO TODAY.

(From Advocate, March 7, 1891.)

B. & O. Engineer Henry Johns has been off duty several days on account of the illness of his wife.

Mr. Charles G. Miller has returned home after a short visit with relatives and friends in Washington and

NEWARK WEATHER SHOWS MIXTURE WITHIN A DAY

Warm south winds are prevailing and this means that a warm wave will sweep up from the southland. Newark has experienced a rise in temperature of over thirty degrees in the last 48 hours. Texas points recorded temperatures in the nineties Sunday and Monday, rising 63 degrees at various points in the Lone Star state. Tennessee also reported temperatures in the eighties Sunday.

There has certainly been a mixture of weather within the last twenty-four hours. Yesterday morning the ground was covered with sleet and walking was difficult. Then it rained, next it warmed up and the sleet left. In the afternoon the temperature rose considerably and the evening was pleasant. Shortly before midnight rain again fell and at 1 o'clock this morning was pouring down in torrents. Early this morning the sun came out bright and clear, the thermometer being at 42 and the weather resembling a fine spring day.

COMING EVENTS.

March 7—J. M. Switzer of Dayton will address Trinity Men's Club.

March 7—"Office 866" at High School by Denison Dramatic club.

March 9—Snively's lecture, "Russia." Public Library benefit.

March 10—Bowler-Turner wrestling.

March 10—Woman suffrage debate, Zanesville at Newark.

One of life's paradoxes lies in the fact that when a fellow starts to climb, it's all up with him.

 the home of Mrs. T. C. Ditter, 305
 West Locust street, Wednesday,
 March 8 at 2:30 p. m. Mrs. I. M.
 Phillips, teacher.

NO QUININE IN
THIS COLD CURE

"PAPE'S COLD COMPOUND" ENDS
 COLDS AND GRIPPE IN A
 FEW HOURS.

Take "Pape's Cold Compound,"
 every two hours until you have tak-
 en three doses, then all gripe mis-
 ery goes and your cold will be brok-
 en. It promptly opens your clogged-
 up nostrils and the air passages of
 the head; stops nasty discharge or
 nose running; relieves the headache,
 dullness, feverishness, sore throat,
 sneezing, soreness and stiffness.
 Don't stay stuffed-up! Quit blow-
 ing and snuffling. Ease your throbb-
 ing head—nothing else in the
 world gives such prompt relief as
 "Pape's Cold Compound," which
 costs only 25 cents at any drug store.
 It acts without assistance, tastes
 nice, and causes no inconvenience.
 Accept no substitute.

Salem Aid Society.
 The Salem Ladies' Aid society
 will meet with Mrs. Fred Christian
 on Thursday afternoon, March 9 at
 2 o'clock. All friends invited.

Made Splendid Progress.
 Mr. Donald Kissan, the well
 known violinist of this city, who re-
 sides at 65 North Pine street, has re-
 turned from Cincinnati where he
 has been pursuing his studies for
 some time with the noted violinist
 and composer Signor Tirindelli. Mr.
 Kissan winning many eulogiums
 for his excellent work. He will re-
 sume teaching in this city.

Birth Announcement.
 Mr. and Mrs. Joseph Priaycel of
 475 Wehrle avenue, announce the
 birth of a 11 1-2 pound son this
 morning at their home.

Women's Guild Meeting.
 The first division of the Women's
 Guild of the First M. E. church will
 meet at the home of Mrs. Warren
 Wright, 544 Maple avenue, Wednes-
 day afternoon. A full attendance is
 desired.

Strange Case of Mary Page.
 The third episode of "The Strange
 Case of Mary Page" with synopsis of
 the two preceding chapters, will ap-
 pear in next Monday's Advocate.
 The second episode published in
 yesterday's paper will be shown up-
 on the screen at the Grand theatre
 next Thursday night. The screen
 will also give a synopsis of the first
 episode.

New Studio Proprietor.
 C. R. Cobb, who has operated the
 Electric Post Card studio in the
 Arcade Annex for the past several
 months, has sold his holdings to
 Lester V. Wittich who has taken
 possession of the place through his
 manager, H. C. Wagoner, former pro-
 prietor of the Wagoner Studio in the
 Arcade now owned by Mueller.

M. E. Woman's Guild.
 The third division of the Women's
 Guild of the First M. E. church will
 meet Wednesday afternoon with Mrs.
 P. H. Keenen, Prospect street.

W. C. T. U. Meeting.
 Isabella Miller Union, W. C. T. U.
 will meet at the home of Mrs. Jen-
 nie B. Mitchell, 465 Tuscarawas
 street, Wednesday afternoon at two
 o'clock.

W. C. T. U. Meeting.
 The Frances Willard W. C. T. U.
 will hold a regular session in the
 Neal avenue M. E. church Wednes-
 day afternoon at 2 o'clock. It is
 hoped that there will be a good turn
 out.

Spring Drawing Near.
 Get ready for hotbed making time
 for spring is only two weeks away.

Two weeks from today spring be-
 gins in real earnest and the first
 step in spring gardening is here.
 Horticulturists have already begun
 trimming their fruit trees while a
 number of others have started to
 prune their grape vines.

Joe Crido, arrested on the affi-
 davit of Joe Tomio, who charged
 Crido assaulted him last Sunday, was
 fined \$1 and costs in police court
 this morning. A peace warrant ac-
 tion was continued indefinitely.

Arrested for Theft.
 Angelo Sisto was arrested yester-
 day on a charge of stealing several
 pairs of shoes from A. S. Stephan.
 The case will be heard later.

Ask for Increase.
 Zanesville firemen have asked the
 city dads for an increase in salary
 and more days off and according to
 letters received here by friends, the
 increase probably will be granted.

Suffered Fractured Hip.
 Mrs. Nancy Simpson, 82 years old,
 of 207 West Main street, suffered a
 fractured hip Monday morning when
 she slipped on the ice at her home
 and fell heavily to the ground. Mrs.
 Simpson stepped into the yard, in-
 tending to go to the garage in the
 rear of the house. The thin coating
 of ice which covered the ground,
 caused her to lose her footing and
 she fell. She was carried into the
 house and a physician called. The
 fracture was reduced and today she
 is said to be resting comfortably.

Death of Friend.
 Hon. Robert W. Howard received a
 long distance telephone call today
 from Circleville, O., informing him
 of the sudden death of his friend,
 ex-Representative George W. Bow-
 ers, who served in the legislature
 with Mr. Howard. The latter may
 attend the funeral.

In Zanesville Today.
 A. P. "Dutch" Tiescher is in
 Zanesville today calling on his old
 friend, William Twigg, who is con-
 fined to the house at the home of his
 father. Mr. Twigg is able to be up
 and about but is greatly bothered
 with rheumatism which results in
 insomnia.

Will Meet Thursday Afternoon.
 The Home and Foreign Missionary
 Society of the Woodslee Presby-
 terian church will meet Thursday af-
 ternoon at 2:15 o'clock at the home
 of Mrs. B. S. Young, in Central av-
 enue. All members are urged to be
 present.

COMMISSIONER
 OF DAYTON TO
 ADDRESS CLUB

J. M. Switzer of Dayton, member
 of the Dayton City Commission, will
 deliver an address tonight following
 the monthly dinner of the Men's
 Club of Trinity church. Mr. Switzer
 will relate the experiences of the
 city of Dayton with the commission
 form of government.

The foregoing dispatch was held
 up by the British censor for two
 days. Another dispatch filed in
 London at 3:25 o'clock this morn-
 ing said that a fleet of twenty-five
 German warships was observed
 Monday cruising in the North Sea.
 This message was received in Lon-
 don from Vlieland, North Holland.

At last night's council meeting,
 Mr. Graham, representing the club
 members of council and city officials
 to attend the dinner and hear the
 address. He told members of coun-
 cil that the commission form of
 government would be discussed.

This afternoon, Mr. Switzer met
 a dozen or more Newark business
 and professional men at lunch at
 Hotel Warden. He gave a short ad-
 dress at this time telling of some of
 the features of the commission form
 of government, which have been
 found beneficial to Dayton.

DEMAND THAT
 CITY MANAGER
 MUST RESIGN

(ASSOCIATED PRESS TELEGRAM)
 Sandusky, O., March 7.—City
 commissioners of Sandusky deliv-
 ered an ultimatum to City Manager
 Robert Koegle today when they de-
 manded that Koegle resign within
 twenty-four hours.

Koegle announced that he will
 not resign but will fight to hold his
 office.

Koegle this morning turned over
 to the city \$423, which examiners
 alleged he owed on account of dis-
 crepancies in his accounts as city
 treasurer which office he formerly
 held.

City solicitor Stephens was or-
 dered by the commissioners today to
 file charges seeking Koegle's remov-
 al from office. Stephens said neg-
 lect of official duty would be
 charges.

WAR HAS CAUSED
 REDUCED PRICE
 AMERICAN EGGS

(ASSOCIATED PRESS TELEGRAM)
 Kansas City, March 7.—Economy
 in England, because of the war, has
 reduced the price of eggs in Amer-
 ica, according to speakers at annual
 meeting of the Missouri Car Lot
 Shippers Association here today.

England is an egg-eating nation,
 speakers said, under normal con-
 ditions, it is estimated its forty million
 inhabitants consume more eggs than
 the ninety-million in the United
 States. But England at war has be-
 come saving and in the last year has
 cut down its egg bill fifty million
 dollars.

OHIO SHOE DEALERS
 MEET IN CLEVELAND

(ASSOCIATED PRESS TELEGRAM)
 Cleveland, March 7.—More than
 seven hundred men interested in the
 shoe business—manufacturers, deal-
 ers and salesmen—gathered here to-
 day when the Ohio Retail Shoe Deal-
 ers' Association convened for a ses-
 sion of three days.

The opening address was made by
 A. F. Sloan, president of the associa-
 tion. Others who addressed the as-
 sociation were F. J. Blake, Akron;
 Charles Spatz and Thomas H. Seibert,
 Columbus; and Harry McLaughlin,
 Cincinnati.

Bargains in the Wants tonight.

There are some extra choice models ready for your in-
 spection.

Free Books on The Care of Babies

We have 200 of these books for distribution. They will
 be given to the first 200 mothers who call at our In-
 fants' Department [second floor], tomorrow.

Complete Stock of Harry Lauder's Records

In our Victrola Department [fourth floor].

We will be glad to play them for you at any time.

John J. Carroll

GERMAN FLEET
DREADNAUGHTS
LEAVING BASE

(ASSOCIATED PRESS TELEGRAM)
 Rome, March 5, via London,
 March 7.—(Delayed)—Twenty Ger-
 man dreadnaughts have left Kiel,
 according to information received
 here today.

The foregoing dispatch was held
 up by the British censor for two
 days. Another dispatch filed in
 London at 3:25 o'clock this morn-
 ing said that a fleet of twenty-five
 German warships was observed
 Monday cruising in the North Sea.
 This message was received in Lon-
 don from Vlieland, North Holland.

ZEPPELINS KILL
THIRTEEN; NINETY
BOMBS DROPPED

(ASSOCIATED PRESS TELEGRAM)
 London, March 7, 2 p. m.—The
 total number of deaths from Sunday
 night's Zeppelin raid was thirteen,
 according to an official announce-
 ment made today. Ninety bombs
 were dropped. The announcement
 says no military damage of any de-
 scription was inflicted by the Zepp-
 elins.

An official statement of yesterday
 said the casualties amounted to
 twelve killed and 33 wounded.

The official statement follows:
 "It is ascertained that at least 90
 bombs were dropped by enemy air-
 ships during the raid of March 5-6.
 The bombs appear to have been
 dropped indiscriminately over rural
 districts. This may have been due
 to the fact that owing to the rough
 weather, the Zeppelins were uncer-
 tain as to their whereabouts and
 were anxious to rid themselves of
 their bombs before escaping under
 cover of the night. No military
 damage of any description was
 caused. The casualties were entire-
 ly confined to the civil population,
 and of those previously reported in-
 jured one has since died in a village
 in Lincolnshire, bringing the total
 killed to fifteen."

BOYS APPLY FOR
REWARD; MONEY
WILL BE PAID

Norvil Stack, 13, of 21 South
 Buena Vista street and Ralph Barcus
 13, of 13 Pataskala street have filed
 claims for the \$50 reward offered for
 the recovery of the body of Edward
 Hoachkiss, who was found by the
 boys Sunday in the South Fork near
 the Second Street bridge.

Charles Carter of West Main
 street was authorized to offer re-
 ward and at his home today it was
 stated that the boys had claimed
 the money and that it would be paid
 to them as soon as arrangements
 could be made.

It is understood that the offer
 was made by the sons living in To-
 ledo.

MARRIAGE BETWEEN
BELGIAN PRINCE
AUSTRIAN PRINCESS.

(ASSOCIATED PRESS TELEGRAM)
 Berlin, Via Paris, March 7, 1:16
 a. m.—Marriage is arranged between
 Prince Boris, eldest son of King
 Ferdinand of Bulgaria and heir to
 the throne and a princess of the
 house of Hapsburg, according to the
 Journal Des Balkans.

Prince Boris of Bulgaria, was born
 at Sofia on Jan. 18, 1894 and exer-
 cises a high command in the Bul-
 garian army. The head of the Haps-
 burg family is the Emperor Francis
 Joseph.

OUR GROWTH

HAS BEEN STEADY SINCE THE
 ORGANIZATION OF OUR COM-
 PANY FOR THE REASONS

1. We are conservative in mak-
 ing mortgage loans.

2. And hence we afford safety to
 our depositors.

3. We are prompt in sending out
 the interest checks, and this

4. pleases our depositors.

5. We pay five per cent on time
 deposits. Assets \$1,100,000.

6. The Buckeye State Building
 and Loan Company, Rankin Build-
 ing, 22 West Gay Street, Columbus,
 Ohio.

PLATING

True Secret of Keeping
Youthful Looking

(The Beauty Seeker)
 "The real secret of keeping young-looking
 and beautiful," says a well-known hygienist,
 "is to keep the liver and bowels normally
 active. Without these requisites, poisonous
 waste products remain in the system, pollut-
 ing the blood and lodging in various organs,
 tissues, joints. One becomes flabby, weak,
 nervous, mentally sluggish, dulled, wrinkled
 and sallow of face."

"But to get liver and bowels working as
 they ought, without producing evil after-effects
 has been the problem. Fortunately, there is
 a prescription of unquestioned merit, which
 may now be had in convenient tablet form.
 Its value is due largely to an ingredient de-
 rived from the humble May apple, or its root,
 which has been called 'vegetable calomel' be-
 cause of its effectiveness—though, of course, it
 is not to be classed with the real calomel of
 mercurial origin. There is no habit-forming
 constituent in 'Sentinel' tablets—that's the
 name—and their use is not followed by weak-
 ness or exhaustion. On the contrary, these
 harmless vegetable tablets tend to impart tone
 and elasticity to the relaxed intestinal wall.
 Sentinel tablets, which may be procured from
 any druggist—a dime's worth will do—will
 prove a revelation to any constipated, liver-
 troubled person."

The Constipation Curse

Constipation - clogged bowels
 cause pain and sickness; 95 per
 cent of our ills, say the authorities,
 Sentinel Laxatives bring quick
 relief. All vegetables - contain no
 calomel. Ten doses for a dime at
 any druggist. Physician's sample
 free, upon request, if you men-
 tion this advertisement. The Sen-
 tinel Remedies Co., Inc., 800 Mad-
 ison Ave., Covington, Ky.

You Can Learn To Crochet and Knit--Free

All this week we have with us an expert from the Golden Fleece yarn factory. She is here to teach the new things in crocheting and knitting, that can be made from Golden Fleece yarns. She is here each day from nine o'clock on and you can come and go as you like.

You Ought to Buy Your New Rugs Now

On account of the high prices of wool, the rapidly advancing price, as well as the scarcity of dye-stuffs, the prices will be much higher very soon. Our early showing, bought months ago, was bought on the old basis, and marked accordingly, but as new numbers come in later on, they will be much higher in price.

For Each and Every Room

Rugs and Carpets

Why? Because they are—

Appropriate in color and design.

Soft and luxurious under foot.

Long-wearing under all conditions.

Moderately priced and cheapest in the end.

There you have the story of Bundhar Wilton in a nutshell; the reasons why they are the chosen floor coverings in thousands of comfortable homes throughout the country.

Drop in and see the new designs.

Extra Heavy Axminster Rugs Room Size Only \$25.00 Each

A splendid rug in 9x12 size, in close high pile axminster. A beautiful line of patterns in plain and two tone effects, florals, small-overs and Turkish medallions offered special at \$25.00

The Room Size Rug at \$18.50

Is a heavy Axminster rug in 9x12 size. Handsome designs and colorings in geometrical and small all-over designs. Only \$18.50 each

6 Foot Axminster Rugs \$3.95 Each

"SHURE, AND TAS A WONDERFUL MEDICAN"

PATRICK MCGINLEY REGRETS
HE CANNOT PERSONALLY
TELL EVERYONE WHAT
TANLAC DID FOR HIM.

His Enthusiastic Sentiments are the
Expression of Many Others
Differently Expressed.

Mr. Patrick McGinley who resides at 250 Indiana street came into Hall's Drug Store on Friday and said he wanted "another bottle of Tanny-lack-tas me sekond bottle and wan thang ould loike to say that it tas the grates medican Oiv'e ever hod, before Oi took it me head foilt as if it wure on feer, twas so hor twould almost boirn me hond —and shleep—shure and Oi shleep loike a chicken would-wid 'is head cut off—and ate weel Oi thoit shure twas me thoit was going to starve and now faith and be jabers oi tale loike oi did twenty yars ago whin Oi come from the ould country—of only gave one dollar for a bottle but 'tis asly worth telve dillars of any mon's money."

Tanlac is equally as beneficial for catarrh, rheumatism, liver, kidney and stomach trouble.

Tanlac is being demonstrated at Hall's Drug Store, and is for sale at Pataskala by J. R. Strine, at Hebron by the Hebron Drug Co., at Utica by C. H. Richardson and at Granville by W. P. Ullman.

RECEPTION FOR MASONS TONIGHT AT THE TEMPLE

Tonight is the time set for the big Masonic reception to the members of the order and their families at Masonic temple. A splendid program of amusements has been provided which will give pleasure to all classes and tastes. The beautiful home of the Masonic fraternity will be thrown open for the inspection of the visitors and the goat has been carefully trained to behave with becoming modesty and decorum, hence no one need fear that there will be any unseemly outbreaks on its part. It is anticipated that this will be one of the biggest affairs in the social history of that organization in this city, and it is expected that it will be the first of many annual affairs of a similar nature. All Masons in the city, regardless of their lodge location, and their families, are cordially invited to meet with the Newark brethren on this festive occasion.

Bargains in the Wants tonight.

Tax Exempt Investment Pennsylvania Railroad System Little Miami Railroad Company Special Guaranteed Betterment 4% Stock

The Little Miami Railroad, with its controlled and leased lines includes about 195 miles, and furnishes the Pennsylvania Railroad with its main line entrance into Cincinnati.

The Pennsylvania Railroad Company and the Pittsburgh, Cincinnati, Chicago and St. Louis Railway Co., jointly guarantee the dividends on this stock.

The value of this guarantee is shown by the fact that the Pennsylvania Railroad's outstanding stock is more than the total assessed valuation of Toledo and Columbus combined.

The Little Miami Railroad Company is an Ohio corporation, and the stock is therefore tax free in this state.

Tax exempt bonds have practically disappeared from the market, and are hard to get at any price.

We are offering this stock at

SUPERINTENDENT BLIND INSTITUTE RESIGNED TODAY

Columbus, March 7.—Horace C. Maurer of Wooster, superintendent of the State School for the Blind at Columbus, handed his resignation to the State board of administration early today, to take effect at the pleasure of the board. He announced he will enter private work in the southern part of the state.

It is expected Mr. Maurer will continue as superintendent of the school until the end of the school year in June. The position, which pays \$1,500 a year and expenses, will be filled by competitive civil service examinations in the near future, the board announced.

Mr. Maurer succeeded E. M. Vanderveer as superintendent in September, 1914. He figured prominently in a supreme court suit brought by J. Frank Lumb, a blind teacher at the school, who held he had received the highest grade in the competitive examination and should have been appointed to the superintendency. The supreme court decided in favor of Maurer.

An Ideal Spring Laxative.
A good and time tried remedy is Dr. King's New Life Pills. The first dose will move the sluggish bowels, stimulate the liver and clear the system of waste and blood impurities. You owe it to yourself to clear the system of body poisons, accumulated during the winter. Dr. King's New Life Pills will do it. 25c at your druggist.

Praise will sometimes spur a man on to greater effort almost as effectively as will censure.

VILLAGE BOUGHT STONE ILLEGALLY EXAMINER REPORTS.

(ASSOCIATED PRESS TELEGRAM)

Columbus, March 7.—State Examiner Harry D. Waddell's report on the village of Norwood, Hamilton county, made public today, discloses that \$8,337 illegal payments were made for crushed stone bought last year without advertising for competitive bids. The purchases were made from Doran and Company, John Snyder, Dayton Limestone company and the Miami Stone company.
